❝❝

## "Honestly, Primevox just works!

We roll it out fast, it's easy for our UPS clients to use, and I don't get phone calls about phone calls anymore."

**- Doug Fennell | C2C Technology Group**

---

## Scale Effortlessly Across Multiple Locations

Primevox works with you every step of the way to streamline your system, secure information, and deliver fast, reliable connections.

### Phone Systems
Stay in touch anytime, anywhere with multi-level phone menus, call queues, and call schedules for the perfect connection.

### Digital Faxing
Simple, secure, and HIPAA-Compliant faxing, featuring Fax-to-Email, digital confirmations and cover pages.

### SMS Messaging
Communicate with clients or internal team easily with seamless synced messaging across all your devices.

### Reporting
Gain valuable insights with advanced reporting to, track calls, analyze trends, and make data-driven decisions.
