INTRODUCTION

Fawasel, an entertainment and tourism company founded by Dallah Albaraka in 2021, was established to spearhead the group's efforts in the entertainment and tourism sectors in Saudi Arabia, as part of Dallah's continued commitment to being a success partner in realizing the Kingdom's Vision 2030.

Fawasel is launching The DockX— its first entertainment center in Red Sea Mall, with a diverse offering of interactive games including AR bowling, mini-golf, karaoke and more all within a social dining space and a live performance stage designed to bring people together, fostering lasting memories and social bonds.

THE CONCEPT

Inspired from the realm of shipping containers in Jeddah, the DockX emerges as a worldwide entertainment hub. Each container within the DockX symbolizes a different country, hosting carefully selected games from various corners of the globe, immersing participants in a diverse world defined by the latest trends.

Inside, temporary installations seamlessly blend with interactive experiences and activities. . Each corner reveals its distinctive identity, guaranteeing that every exploration becomes a unique and visually captivating adventure.

The DockX transforms the ordinary into the extraordinary, inviting visitors to discover endless possibilities in its entertainment universe.
