MV RIDES

G-STORM™

PRODUCT SHEET

G-STORM™

The G-Storm™ is a unique attraction that sends a gondola filled with passengers flying back-and-forth while traversing a cable-track between 2 towers.

The unique cable-track system allows for the gondola to thrill passengers over water, terrain or any area with its flexibility to custom design the distance between the towers.

There is no other attraction that offers the unique design and flexibility the G-Storm offers while delivering a unique and thrilling experience.
