ABOUT BATTLE DOME

Saudi Arabia's premier first-person shooter experience

Battle Dome offers a diverse range of cutting-edge adventures suitable for all ages, catering to both beginners and experts. As the ultimate hub for immersive combat experiences, the facility ensures personalized activities tailored to participants' skill levels and preferences, fostering an inclusive space for adrenaline pumping adventures. Whether you're a beginner looking to explore the thrill of combat simulations or an experienced enthusiast seeking advanced challenges, Battle Dome offers a diverse and inclusive space for everyone to engage.

BATTLE FIELDS

Laser Tag

An exciting high-tech battle where players tag opponents with laser beams in a neon-lit arena. Team up, strategize, and showcase your skills in this thrilling futuristic showdown.

Zombie War

A thrilling game where players navigate, evade “zombies,” and aim to survive, complete objectives, or reach safety, promoting strategy, teamwork, and physical activity.

Target Shooting

A precision-based game using airsoft guns where participants aim at specific targets to score points. Concentration is a key, making it a competitive activity.

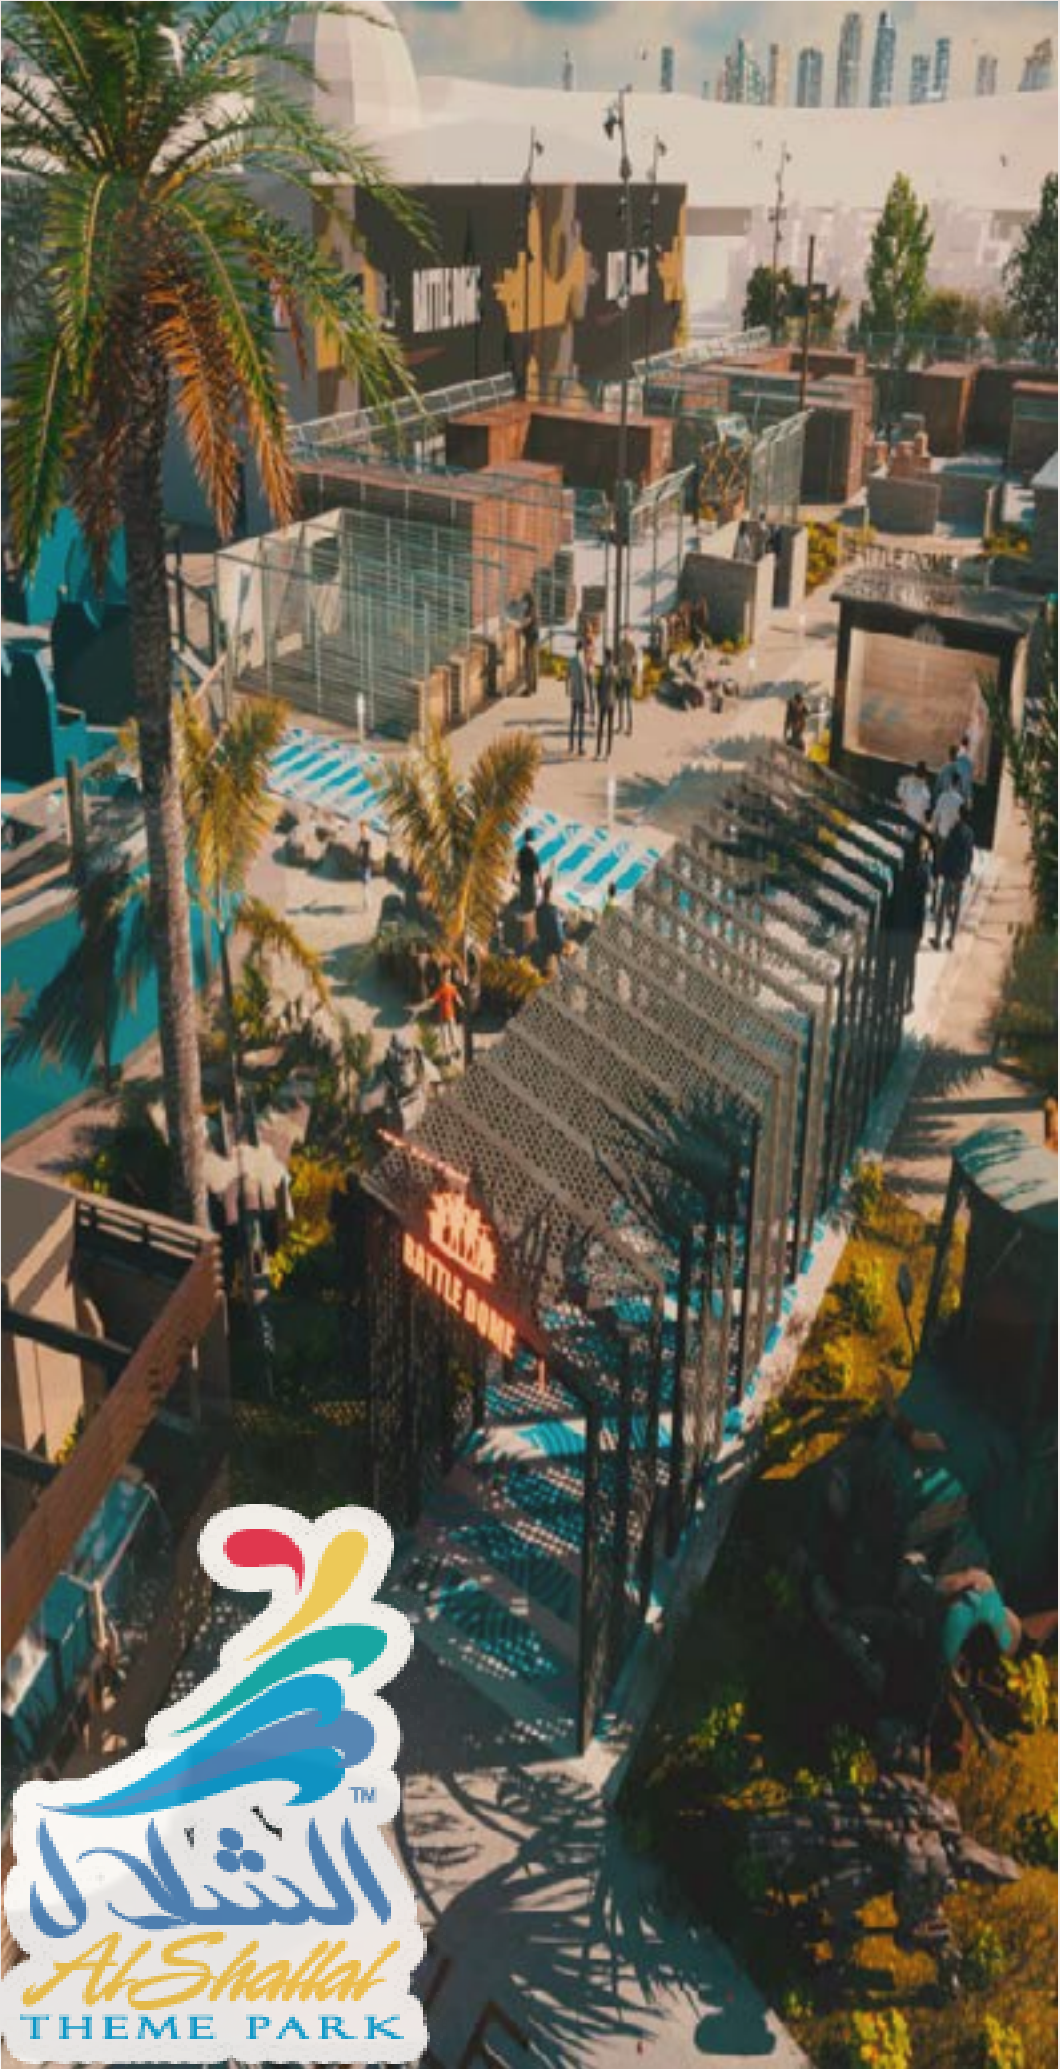

Air soft battles

An airsoft sniper competition emphasizing precision and skill, where participants earn points and capture flags through accurate shots. Concentration is a key in this intense activity.
