EPIC SURF

Harness the power of the Epic Wave

Real Waves
Real Surfboards
UNBELIEVABLE EXPERIENCE

EPICSURF

*A Surf-All,
Surf Anywhere
Experience.*

Tame it down
FOR BEGINNERS

the
EASIEST way
to
LEARN
how to surf

Amp it Up
FOR EXPERTS

RAPID WAVE ADJUSTABILITY

From 3' to 5' waves in seconds.

Easily match the wave to each rider's skill level and board choice.

**GRAB YOUR BOARD
GRAB YOUR FRIENDS**

EPICSURF

Authentic Surfing

EPICSURF is a
TRUE DEEP WATER WAVE.

Choose your favorite surfboard. Fins and all!

This adrenaline rush is something you simply cannot get riding on a thin sheet of water over a wave form.

The Technology

REMOTE ACCESS CONTROLS

Easily access your wave controls with flexible placement options to match any operational requirements.

RETRACTABLE TRAINING BARS

Beginners can get stoked too! Our retractable training bars make learning to surf easy for everyone.

VARIABLE RIDE SIZE OPTIONS

Expandable starting from a ride width of 30' (9m).

QUICK STOP/QUICK START

Quickly and easily start or stop the wave flow with the simple push of a button.

OPERATIONAL OPTIMIZATION

Pump system allows for consistent operation, even during regular maintenance.

Available Packages

EQUIPMENT PACKAGE

Includes (2) retractable training bars (for double the through-put of your beginner sessions) plus (20) EPICSURF approved surf boards.

RFID WRISTBAND TECHNOLOGY*

Track session time, number of rides, and rider stats, as well as provide access to photos, F&B, and retail purchases.

*program pending

MECHANICAL & FILTRATION PACKAGE

Includes engineering and design documents for installing all ride filtration and piping.

TURN-KEY DESIGN/BUILD OPTION

Complete customized site plans, drawings, equipment, and construction of your project.

BRANDED VENUE PACKAGE

Includes elements to support the brand development, marketing, and promotion of your wave.
