SUBJECT GUIDE

SUBJECTS

Our subjects has been tested by the most severe judges: childrens. **We are children approved.**

Sit back and take your time to build your own unique subject selection. Keeping in mind these simple instructions:

- The amount of max subjects in a carousel depends on the dimension of choosen subjects.
- Each subject has it's own characteristics. Dimensions can be slightly different than the reference below.

And if you want something new, just let us know. **We will design it for you!**
