# API SPRAYPARKS®

Colourful **PLAY** and **SPRAY ATTRACTIONS** for your customized **SPRAY-PARK** are mounted on a colourful, grippy and water tight **SAFE PLAY and SPRAY FLOOR®** from API.

The creative combination of various highly interactive **PLAY** and **SPRAY ATTRACTIONS** is summarized under the term **API SPRAYPARK**. The **API SPRAYPARK** is safe and sustainable.

**Best  
Spray**

## AQUA SLIDE INOX

customized heights and widths  
designed to safety standard DIN EN 1069

## CHOREOSPRAY®

Highly dynamic programmed water choreography with 24VDC pumps under the nozzle - refreshingly cool and varied, can be combined with colorful LED lighting, music and fog

## API SEESAW and SPRAY®

seesaw and spray your neighbour - the wetter the better

**Safety** is assured by API's perfectly draining and grippy SAFE PLAY and SPRAY FLOOR with no standing water thus no danger of drowning accidents.

**Sustainability** is assured by durability of API's PLAY and SPRAY ATTRACTIONS which are made of recyclable stainless steel (grade 316L) with a colourful multiple layer powder coating, the last layer of which protects against UV radiation.

Cool and surprising water effects are triggered and controlled by the child's hand and offer a wide range of play and spray options. Customized and themed designs for age group 1 to 5 years and group 5 to 12 years are available.

**API TURN and SPRAY®**  
Endlessly rotating PLAY and SPRAY ATTRACTIONS

**FLOORSPRAYS**

**Best  
Spray**

**LED FUN JET 3.0**  
LED-illuminated water fountain

**API TOUCH & SPRAY**  
Touch here (by foot or by hand)  
– spray there
