# THE ESSENCE OF ÉLOIZE ENTERTAINMENT

## *From the Horizon to the Stage*

Éloize Entertainment has its roots in a bold vision and an undying love for art and adventure instilled by our founders over three decades ago. As leaders and key players in the entertainment industry, we boast:

**5**  
Over 5 million  
captivated spectators

**60**  
Projects in 60 countries and  
600 cities worldwide

**1800**  
Over 1,800 events created  
and produced for clients  
and partners

**27**  
Over 27 original  
international touring  
productions

Recognition through  
international accolades:  
New York Drama Desk Award,  
GEMINI Awards,  
Off-Broadway Alliance Award,  
and more.

# OUR FUNDAMENTALS

## ***Éloize Entertainment Stands For:***

- ✦ ***A unique and permanent creative center** nestled in Montreal's historic quarter*
- ✦ ***A pioneering Fablab** with an immersive space for R&D, incubation, and showcasing of digital arts, as well as the development of innovative new projects in various fields*
- ✦ ***Exceptional and lasting collaborations** with prestigious clients and partners*
- ✦ ***A vast international network** of hundreds of collaborators, artists, and designers*
- ✦ ***A significant presence** on the world's biggest stages and festivals*

# OUR APPROACH

## *Meaningful Entertainment*

In a world seeking meaning and authenticity, Éloïze Entertainment continues to craft shows that not only astonish but also evoke and innovate, leaving indelible impressions that surprise and inspire. Our mission transcends entertainment; it is rooted in a desire to create a profound connection with our audiences' hearts and minds.

## *Your Vision, Our Craft*

Your narrative is our compass. We listen, understand, and translate your ambitions into experiences that align with your resources and exceed your expectations. Working in synergy with you, our team will support you in respecting your constraints and crafting concepts that are as viable as they are striking.

## *A Future-Focused Strategy*

---

Éloize Entertainment is committed to a development strategy supported by our financial, artistic, and business partners. We are firmly rooted in the future and proud to showcase our culture and heritage worldwide.

## *Innovation Through Collaboration*

---

We recognize that innovation is the heartbeat of the entertainment industry. We constantly monitor innovation and forge close ties with the most innovative players in the ecosystem, fostering spectacular new experiences that are at the cutting edge of technology.

# DISTINCTIVE ELEMENTS

## *Attention to Detail*

---

Every project is unique. We pay special attention to each step of the process, meticulously curating every element from our creative ensemble to the final performance.

## *More Than a Show, an Adventure*

---

Éloize Entertainment constantly seeks innovation and challenges the limits of imagination, never content with repetition. Our creations are living canvases intended not only to dazzle, surprise, and enchant, but also to create lasting memories. These experiences emanate from a unique alchemy, expertly orchestrated by our skilled teams.

## *The Team Behind the Magic*

---

Fueled by a shared passion for craftsmanship, joy, and wonder, our team brings together artistic and industrial talents from around the world. The familial and collaborative spirit that characterizes us has fueled our global aspirations for the past 30 years.

## *La Gare Dalhousie: Our Headquarters*

Éloize Entertainment is proud to own a unique, permanent space dedicated to artistic creation and MICE events, located in the heart of Old Montreal. Hosting nearly a hundred events annually, this dynamic space pulses with the creative heartbeat of the city, surrounded by top-tier industry partners and advanced R&D hubs. Here, we thrive in an atmosphere that's as dynamic and agile as the professional environment it fosters.

Spread over a spacious 6,200 square feet (575 m<sup>2</sup>), all on one level, our studios have been the creative hub for our artistry since 2004. Fully refurbished, they include state-of-the-art amenities, all set in a unique, brightly-lit space that can adapt to a multitude of setups. As of 2022, a high-tech multimedia upgrade has transformed the studios, allowing for customized, tech-savvy projects to come to life in a fully immersive space.

*The station is equipped with state-of-the-art lighting and sound systems, complete rigging, an advanced control room, and immersive video projection featuring 360-degree mapping and delivering a vast display resolution of 24558 pixels in width and 1200 pixels in height, powered by 17 high-intensity 22000-lumen laser video projectors.*
