

THE REGION'S DESTINATION FOR AUDIO-VISUAL SOLUTIONS

PRO LAB Corporate Profile '23

ABOUT US

PRO LAB is one of the most established and well renowned names in the world of professional audio-visual and stage equipment retail and distribution in the GCC and MENA regions. PRO LAB is the region's leading destination for audio-visual, lighting, staging, and rigging systems and equipment. From designs to trainings, solution building to aftersales support and service, PRO LAB covers all client needs and requirements under one roof.

A photograph of a stage setup. The top half shows a dense network of metal trusses and stage lights, some of which are illuminated. Below the rig is a large, curved wall made of perforated metal panels. In the foreground, there are several large, dark-colored stage monitors or speakers. The overall lighting is dim, with some spotlights creating a dramatic effect.

WE PROVIDE SOLUTIONS

We are passionate about delivering the highest quality audio-visual, lighting, staging, and rigging solutions from the industry's most trusted and reputable brands
