# PUBLIC SAFETY

Law enforcement, first responders, and other public safety professionals rely on RAM® Mounts everyday to ensure laptops, radios, tablets, police consoles, and more are ready at a moment's notice. Rugged and durable RAM® ball and socket mounting systems absorb shock and vibration, keeping equipment stable while also helping to protect and extend the life of devices. And with complete charging solutions—from powered cradles to the GDS® Ecosystem™—RAM® is always ready to serve.
