Company Profile.

EUROtrade S.A. is a manufacturer of specialized housing solutions since 1978

We design manufacture and trade:

Tailor made bulletproof constructions in various levels of anti-ballistic resistance. Guard Houses, Check Points, Staff Shelters, Watch Towers, Sentry Boxes, Mobile Shelters, Panic Rooms, Detention Units, any kind of bulletproof cabin or enclosure.

Modular buildings for large scale emergency housing. Barracks, Hospitals, Catering & Sanitary Units, Class Rooms offices and worksite cabins. All relocatable and easy to mount onsite. Relocatable warehouses & Hangars easy to mount unmount and transport.

We are a NATO approved manufacturer (NCAGE Code: G2071) a CERN official provider and we implement refugee camps all around Europe on behalf of euaa (European union agency for asylum)

We are able to manufacture your own designs or suggest new designs made exclusively for you.

Certifications: Our company is certified according to: ISO 9001:2015, which ensures the quality of our constructions and after sales support. ISO 14001:2015, for environmental management system. ISO 45001:2018, for occupational health and security. ISO EN 1090-1:2009+A1:2011, for production control.
