MILITARY ENGINEERING DIRECTORATE

POLISH ARMED FORCES MILENG IN GEOPOLITICAL & NATIONAL CONTEXT

- ❑ Hybrid crisis at the Polish & Belarus border
- ❑ War in Ukraine
- ❑ Voluntary military service in Polish Armed Forces (PAF)
- ❑ Increasing of PAF deterrence power (new units and equipment)
- ❑ Training support for UKR soldiers
- ❑ Intense & dynamic POL TREX Programme (EX STDE-24, DRAGON-24, DEFENDER-24, EURETEX-24)
- ❑ Allied & partnered nations commitments

Polish Defence in the Perspective of 2032

GLOBAL LANDWARFARE, PENTAGON
Poland to receive 250 advanced Abrams tanks under \$1 billion contract
 The award caps off a year-long effort by Poland to sign a contract for the newest version of the Abrams tank, an effort that began as Russia amassed troops on Ukraine's border.

Polish armed forces recorded highest recruitment in 2022 since end of compulsory military service
