SUPCOM AREAS OF ACTIVITY

Baltic Logistics: enabling support around border challenges

- Enhanced Forward Presence and the impact on our J4 chain
- Current challenges to where and how we are operating
- Future priorities and the impact this will have on our capabilities

Russia as an actor

- Statements and threat perception
- Art of war of the Russian armed forces:
 - adaptability
 - (irrational) risks
 - production and mobilization
 - supporters
- Assessment to RUS activity

NATO as an actor

- Reshaping of NATO position
- Enhanced Forward Presence (eFP):
 - concept of permanent presence / bigger footprint
 - concept of „*plug and play*“ / smaller footprint
- Current (logistical) challenges

Future priorities

- Legal and procedural aspects
- Coordination and C2
- Infrastructure
- HNS

Thank you
