- Future vs. Current readiness**
 - **Eastern Shield** - area denial system along PL and 3B eastern borders
 - **Safe Podlasie** – reinforcement of the Border Guards in containing migration weaponization
 - **Phoenix** – restoration of civilian infrastructure after natural disaster
 - Enemies malign and subversive activities against key and critical infrastructure

- Warfighting lethality**
 - people-based
 - enabled by technology

- Materiel**
 - speed & scale of integration
 - accelerating acquisition

- Personnel**
 - fostering culture of innovation
 - constructive perspective
 - Leveraging reserves potential

SPEED IS KEY
