ON SITE CONTACT		

DIMENSIONS OF STAND: _____m X _____m

PLEASE NOTE:

- Electrical cables **cannot** be run underneath carpet without suitable capping. (subject to venue regulations)
- Track spotlights will be installed on a single track.
- Ordering electrical fittings will mean a mains electrical box/ cable may be located on your stand- **please check before site** if this will cause issues with your stand set up/ design.
- **SPACE ONLY EXHIBITORS-** Please ensure required mains position is shown clearly on your stand plan –Where a plan/ grid is not received, sockets will be installed in the rear corner of the stand, light fittings will be placed on the front fascia. Plans must be submitted before the order deadline.
