DUBAI

GLOBAL CAPITAL OF WEB 3.0

The Virtual Assets Regulatory Authority (VARA) is the sole authority regulating virtual assets across Dubai

With the release of the Dubai Blockchain Strategy in 2016 and the Dubai Metaverse Strategy in 2022 – Dubai has set itself years ahead in welcoming the Virtual Asset Industry.

With initiatives like the Unified Business Registry Platform [UBR] and the UAE Centre for the Fourth Industrial Revolution [C4IR UAE], Dubai is leading the way in implementing crypto projects to activate breakthrough growth & innovation in key sectors like real-estate, governance, logistics, metaverse, and fintech.

Future Blockchain Summit, the MENA region's first and largest blockchain conference and exhibition, will bring together world-leading companies and influential minds to explore the transformative potential of disruptive multi-industry blockchain technologies for its sixth edition.

Launched in 2018, the Future Blockchain Summit gathers the world's most exciting and innovative blockchain companies presenting Web3.0, Utilities, Crypto, NFT and Metaverse solutions in the global Web3.0 capital Dubai.

“

Future Blockchain Summit has been a great experience to showcase what Binance is. It's been interesting to speak to clients and individuals and share what we're trying to do here and how we're planning to grow in the region.
