

THE ONLY GLOBAL TECH & STARTUP EVENT IN 2020, LIVE

AFTER A YEAR OF MISSED OPPORTUNITIES
GITEX PRESENTS

5 EXTRAORDINARY DAYS
TO POWER THE FUTURE
OF YOUR BUSINESS

FEEL THE
PEOPLE
POWER

LET'S DO
BUSINESS
AGAIN,
SAFELY

SAFETY ASSURED BY

YOUR HEALTH & SAFETY IS OUR TOP PRIORITY

We are committed to providing you with a safe environment to do business, in accordance with all the health & safety guidelines set out by the local authorities. The event will be delivered with strict standards of health & safety precautionary measures including temperature screening, social distancing, contactless transactions & hygiene protocols at all times.

- Dubai was voted the safest city in the world to attend an exhibition*
- DWTC venue is certified with the prestigious Bureau Veritas SafeGuard Label
- In our most recent exhibition (World Art Dubai), 96% of attendees considered the event safe and very safe, to conduct business

Click here to view the safety measures video

Due to new health and safety protocol, registration/tickets are only sold online and there will be no registration/onsite ticket sales. [<REGISTER NOW>](#)

Strictly print@home badges protocol implemented. Don't forget to print and bring it with you. Strictly no issuances of badges onsite

Wearing of masks is mandatory. A penalty of AED 3000 fine applicable for non-compliance

Badges are non-transferable and badge-holders are required to show valid identification. Penalty of AED 3000 and denied entry applicable to violators.

Contactless temperature screening at designated entry points

Keep a 2 metres social distance at all times

Individually sanitised and packed badge holders and lanyards distributed at multiple locations

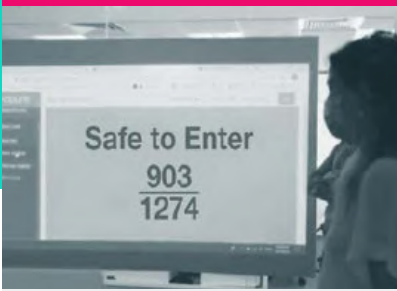

Conference chairs are protected with an antimicrobial shield and are sanitised regularly

Sanitisers readily available at multiple locations

Disinfection protocols are adhered to in all public areas, F&B outlets and restrooms

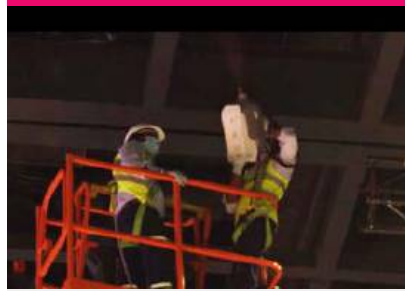

Real time monitoring of crowd density and venue capacity

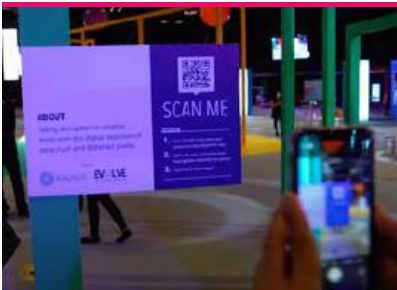

Aisles shall be a minimum of 2.5 metres width one way and 4 metres for 2-way traffic

Conference chairs are set 2 metres apart from each other at the conference

Air change rate in the halls is 8 times per hour. Air extraction in the halls is pre-scheduled and all hall shutter doors will be kept open both before and after the event to assist with air circulation

Contactless transactions are encouraged

Avoid shaking hands and exchanging business cards

Prayer rooms are open and follow federal guidelines

Exhibition halls shall close at 10pm for daily sterilisation and sanitisation

Download mobile app to access the full event programme and network with attendees.

Isolation rooms are set up at the venue for suspected cases and managed with Dubai Health Authority (DHA), located at Sharjah A meeting room above Hall 5

Exhibition stand maximum capacity and the minimum 2m social distancing guideline to be respected at all times

Trained safety warders to monitor social distancing & wearing of masks throughout the event

PCR Testing Clinic managed by Dubai Health Authority available onsite, located at Sharjah D meeting room (above Hall 5)

Life Pharmacy open throughout the show period. Location concourse 2 (between hall 6 & 7)

Buffet permitted if served by waiting staff. Individually packaged food and beverage items available

Safe, Smart & Seamless Experience

IMPORTANT NOTICE

If you have a fever, cough, shortness of breath, feeling unwell or suspect to have symptoms of COVID-19, please seek medical attention and do not attend the event. Temperature checks are required prior to entry.

For any queries on health and safety measures please contact Irene Hayes on Irene.Hayes@dwtc.com

END THE YEAR ON A HIGH WITH
**THE MOST SENSATIONAL TECH
 & NETWORKING EXPERIENCE**

INAUGURAL ISRAEL INNOVATION DISCOVERY DAY

8 DECEMBER

SHEIKH RASHID HALL

The Israel Innovation Discovery Day @ GITEX Future Stars is your rare opportunity to get introduced to Israel's startup ecosystem, forge new business collaborations and network with the first and largest business, tech and investor delegation flying in from Israel to Dubai.

High-impact discussions revolving around:

- How innovation and entrepreneurship act as a leverage to the economy and society
- Discover the full landscape of Israeli tech investment
- What's the state of innovation and venture capital in the UAE?
- Learn to identify the hottest equity themes in a post-pandemic world
- What are the steps to building an effective startup ecosystem for a sustainable future?
- Let's rediscover a new normal: The role of social impact investment
- Unlearn, and refurbish alternative strategies for a digital post-pandemic world
