

## TRAVELLING TO DUBAI

All passengers travelling to Dubai from any point of origin must hold a negative COVID-19 RT-PCR test certificate for a test taken no more than 72 hours before departure.

The certificate must be a Reverse Transcription-Polymerase Chain Reaction (RT-PCR) test. Other test certificates including antibody tests, NHS COVID Test certificates, Rapid PCR tests and home testing kits are not accepted in Dubai. Travellers must bring an official, digital or printed certificate in English or Arabic to check in – SMS certificates are not accepted. PCR certificates in other languages are acceptable if they can be validated at the originating station. Digital COVID-19 certificates are accepted upon arrival at Dubai International airport verification points.

## ATTENDING THE EVENT

The Organiser is committed to ensuring that all stages of the visitor journey at GITEX Global 2021 are safe and that a range of visitor services are available to provide information on COVID-19 measures including hand sanitisers at multiple locations across the venue. Health and Safety Wardens monitoring social distancing and mask wearing and floor markings highlighting social distancing.

All visitors must correctly wear a face covering or face mask at all times, unless they have a medical exemption approved by Dubai Health Authority (DHA).

Visitors are not required to provide proof of vaccination or a negative PCR test result to enter the venue.

# YOUR HEALTH & SAFETY IS OUR TOP PRIORITY

We are committed to providing you with a safe environment to do business in accordance with all the health & safety guidelines set out by the local authorities. The event will be delivered with strict standards of health & safety precautionary measures including social distancing, contactless transactions and hygiene protocols at all times.

In December 2020, GITEX Technology Week, the only global live and in-person technology event took place and 96% of attendees recorded the event as safe and very safe to conduct business.

The National Newspaper, ran a full page feature on the health and safety measures which were undertaken for the event in its newspaper dated the 7th December 2020.
