Mission Statement

To be one of the leading brand of confectionary products by building smiles and happiness through nutritious delicacies under the brand name EURO.

History, Overview and Vision

European Food Public Company Limited is founded in Thailand since November 13th, 1984. Our Head Office is located on Poochaosmingprai Road in Samutprakan province. We are one of the leading manufacturer of confectionery and bakery products in Thailand under the officially registered brand name EURO. We are HACCP and GMP certified since 2009. We are intensively committed to produce world class quality confectionery and bakery products for Export and for our Thai consumers. We have also prioritized in under taking initiative marketing strategy with extended research of product development to ultimately create finest products

to meet customer's expectation and satisfaction. We determine to pay attention to every specific detail in the production process which has lead us to be successful since the first year of establishment.

Our well-known products include Euro Custard Cake, Ellse Layer Cake, Bakery Ball, Peking Wafer Biscuits, Chocolate and Snack Bars, Breakfast Cereals, Choco Pie, Pipo Cup and Fancy Jelly, Gummy, Butter Cake, Biscuit Rolls with cream fillings, Cookies, Marshmallow, Candy, Snacks, and many more.

With years of continuous success, in 1995 we have expanded our production facility to a modern and highly advanced manufacturing plant built on a land area of approximately 700,000 Square Meter in Industrial Estate Zone 3 in Prachinburi province. With an investment of more than two Billion Baht, supported by The Board of Investment of Thailand (BOI), the new gigantic plant is fully equipped with high quality machines, modern technology, specialist machine operators and sophisticated R&D expertise that is there to make sure that every process will definitely deliver ultimate satisfaction in nutrition, hygiene, and delightful taste for our customers.

Currently our products are being supplied to all major Supermarkets such as 7-11, Family Mart, Foodland, etc. To hypermarkets such as Tesco Lotus, Big C, Makro, etc and also to most of the Traditional mom and pop stores spread all across Thailand. Since past 4 years, we have also been successful in exporting most of our products regularly to Cambodia, Laos, Myanmar and Vietnam (CLMV) countries.

We are now keen to expand our export markets and thus invite potential importers and distributors from all over the world who deal in confectionery items to contact us if they are interested. We intend to explore the opportunity of working together in a long term and mutually beneficial manner.

Yours Faithfully
