HEALTH AND SAFETY GUIDELINES

TRAVELLING TO DUBAI

Effective 26 February 2022, passengers travelling to Dubai from all countries (GCC included) must fulfil one of the below requirements

- Present a valid vaccination certificate(s) reflecting that the passenger is fully vaccinated with a vaccine approved by the WHO or the United Arab Emirates (UAE), and includes a QR code
- Present a valid negative COVID-19 PCR test certificate issued within 48 hours from the time of sample collection and issued by an approved health service provider with a QR code
- Present a valid medical certificate with a QR code issued by the relevant authorities that the passenger has recovered from COVID-19 within 1 month from the date of recovery to the date of arrival.

If requested, passengers must undergo a PCR test on arrival in Dubai and self quarantine until they receive a negative result. Passengers who test positive for COVID-19 must follow the guidelines issued by the Dubai Health Authority.

Note:

Printed or digital PCR test certificates or vaccination certificates are accepted in English or Arabic and must include a QR code. SMS certificates are not accepted.

COVID-19 PCR test or vaccination certificates in other languages are acceptable if they can be validated at the departure point.

COVID-19 vaccination certificates without a QR code can be accepted for travel to Dubai as long as the vaccination certificate is issued by test centres/organisations recognised/approved by the national health authorities of the country.

PCR tests must be based on a molecular diagnostic test intended for the qualitative detection of nucleic acid for SARS-COV-2 viral RNA. Rapid antigen, antibody or any form of rapid lateral flow tests and home test kits will not be accepted.

Please check with your airline for the most up to date regulations before your travel to Dubai.

ATTENDING THE EVENT

The Organiser is committed to ensuring that all stages of the visitor journey at SPECIALITY FOOD FESTIVAL 2022 are safe.

All visitors must correctly wear a face covering or face mask while indoors, unless they have a medical exemption approved by Dubai Health Authority (DHA).

Visitors are not required to provide proof of vaccination or a negative PCR test result to enter the venue.

We are committed to providing you with a safe environment to do business, in accordance with all the health & safety guidelines set out by the local authorities. The event will be delivered with strict standards of health & safety precautionary measures including contactless transactions, mask wearing indoors and hygiene protocols at all times.

YOUR HEALTH & SAFETY IS OUR TOP PRIORITY

- DWTC venue is certified with the prestigious Bureau Veritas SafeGuard Label.
- Wearing of masks indoors is mandatory. A penalty of AED 3000 fine may be levied by the government authorities for non-compliance.
- Sanitisers are readily available at multiple locations across the event.
- PCR Testing Clinic available onsite.
- Event health and safety precautionary guidelines are subject to changes as directed by the local authorities.

SAFETY ASSURED BY

IMPORTANT NOTICE

If you have a fever, cough, shortness of breath, sore throat or are feeling unwell or suspect you have symptoms of COVID-19, please seek medical attention and do not attend the event.
