## ABOUT US

Garden Links Company (GLC) is a leading Saudi provider of complete outdoor and urban solutions, specializing in playgrounds, gym and sports equipment, landscaping, lighting poles, urban furniture, flooring, traffic safety, event installations, and construction works. We deliver turnkey services — from design to maintenance — for public, private, and commercial projects across the Kingdom.

**At Garden Links Company (GLC), we go beyond play — we build complete, functional, and beautiful.**

With a commitment to safety, quality, and innovation, our expertise spans a wide range of sectors:

### Home & Garden Enhancements

From landscaping and irrigation to custom garden layouts and decor.

### Landscaping, Garden Design & Outdoor Beautification

Custom green spaces for public parks, villas, homes, and compounds — including turfing, planting, irrigation systems, and decorative feature

### Indoor & Outdoor Playground Solutions

From vibrant play structures to custom-designed activity zones.

### Outdoor Gym & Fitness Equipment

Durable, public-use fitness machines for wellness-focused communities.

### Sports Facilities Development

Turnkey solutions for courts, tracks, and recreational zones.

### Professional Floorings

Rubber, PU, EPDM, and artificial grass surfaces for sports, play, and garden areas.

### Urban Furniture & Decorative Statues

Enhancing public spaces with benches, pergolas, planters, lighting, and aesthetic elements.

### Office & School Furniture Supply

Practical and ergonomic furniture for learning and workspaces.

### Entertainment Equipment & Event Installations

Stages, sound systems, lighting effects, and complete event setups.

### Maintenance Services

Scheduled care and repair for parks, playgrounds, fitness areas, and outdoor setups.

### Lighting Poles & Road Safety Systems

Supply and installation of solar or electric lighting, barriers, road studs, and reflective signs.

### Traffic & Directional Signage

Custom traffic signs and road accessories for safety and navigation.

### Tools & Hardware Supplies

Supporting projects with high-quality tools, fixings, and outdoor

Beyond these services, Garden Links also undertakes construction contracts, landscape design, and custom fabrication for unique outdoor projects.

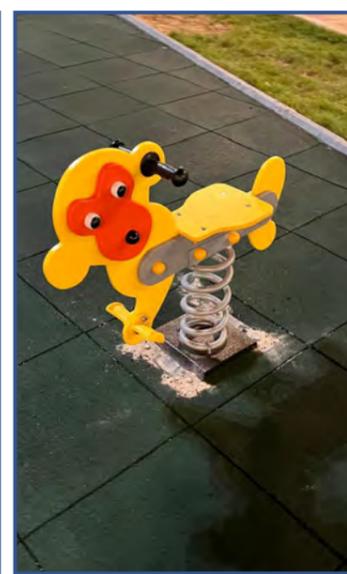

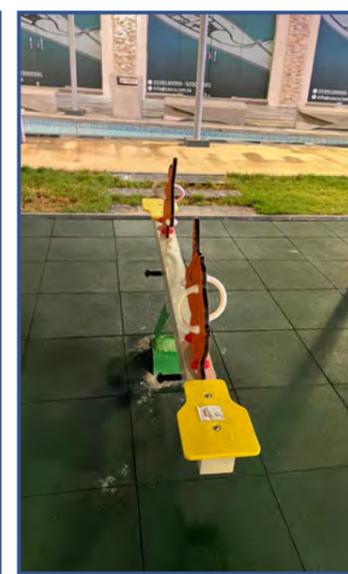

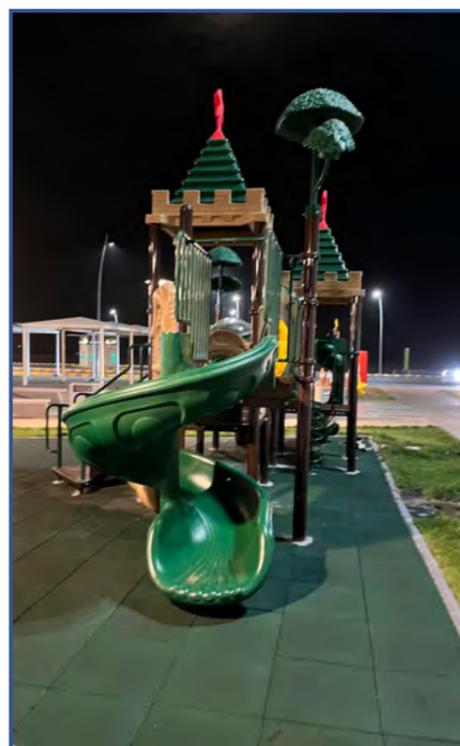

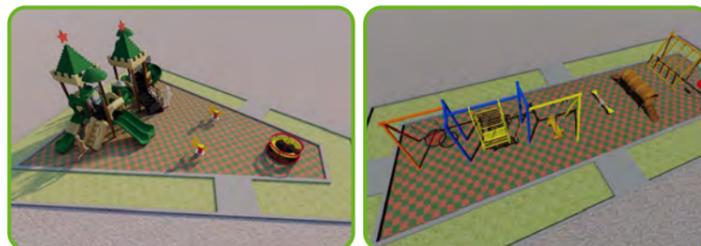

**We are proud to serve government projects, private developers, schools, and commercial clients, offering full project execution — from concept and design to installation and aftercare — across all regions of Saudi Arabia.**

## PROJECT DONE PORTFOLIO

### Howtat Bani Tamim (BALDIA PROJECT)

This municipality-driven project was delivered by Garden Links to transform a public space in Howtat Bani Tamim into a vibrant and inclusive play zone for children of all age groups. Designed to blend fun with safety, the project showcases a series of themed playgrounds across multiple areas within the community.

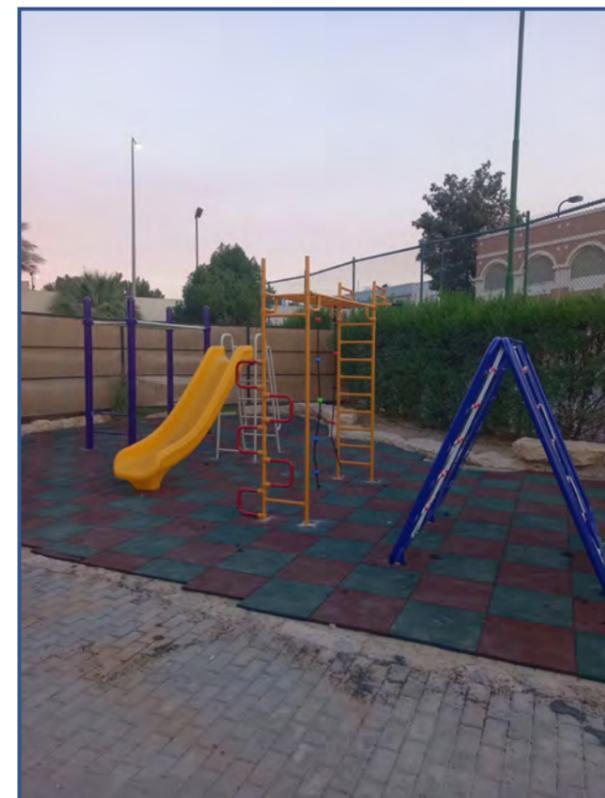

Garden Links is proud to be a trusted partner in **public development**, bringing colorful, safe, and engaging play environments to Saudi communities. This BALDIA project is a reflection of our mission to make outdoor recreation accessible, secure, and joyful for every child.

## PROJECT DONE PORTFOLIO

### Private Residential Compound, RIYADH CITY

Garden Links proudly completed the delivery and installation of a premium multi-zone outdoor playground tailored for a gated residential compound in Riyadh City. The project focuses on delivering a safe, elegant, and family-friendly recreational space within a private living environment.

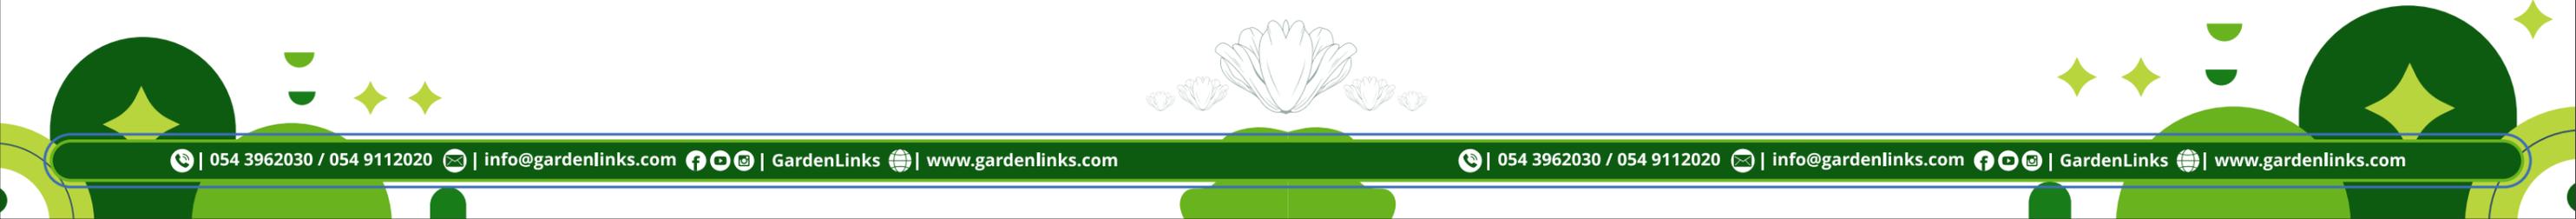

**PROJECT DONE PORTFOLIO**

**PUBLIC PARK, NAJRAN KSA**

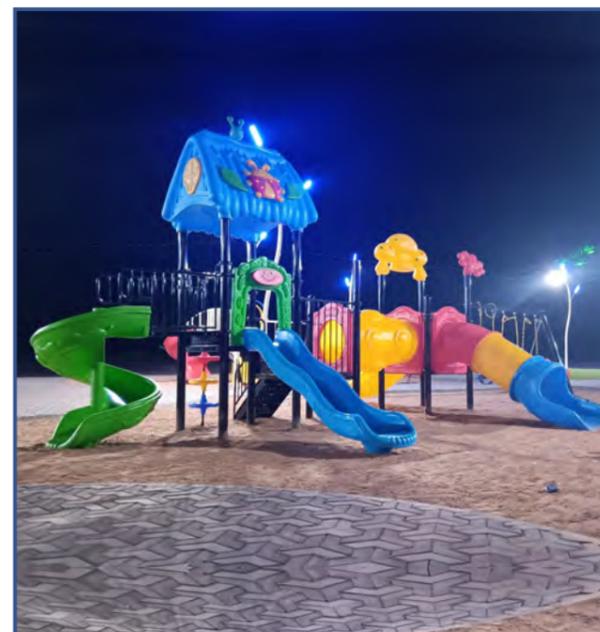

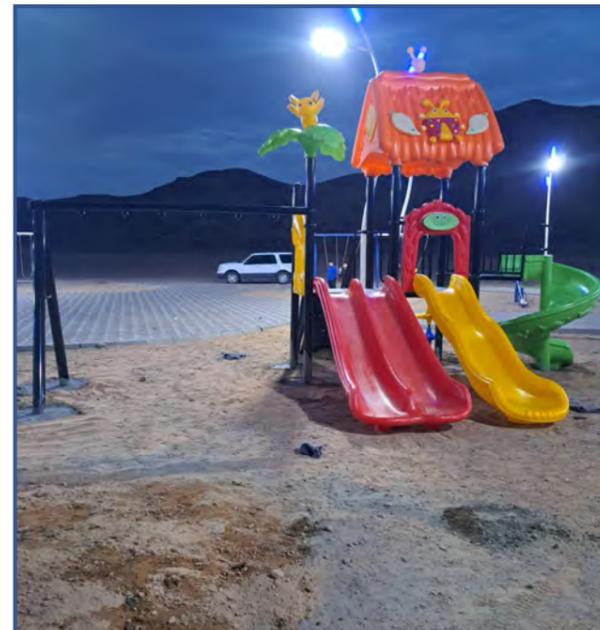

This Najran project reflects Garden Links mission to support community wellbeing through **joyful public environments**. By introducing vibrant and accessible play areas into open parks, we create safe social hubs for children, families, and future generations to gather, grow, and enjoy.

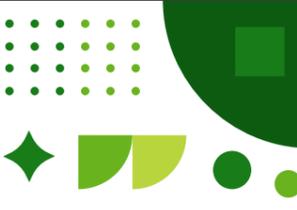

**PROJECT DONE PORTFOLIO**

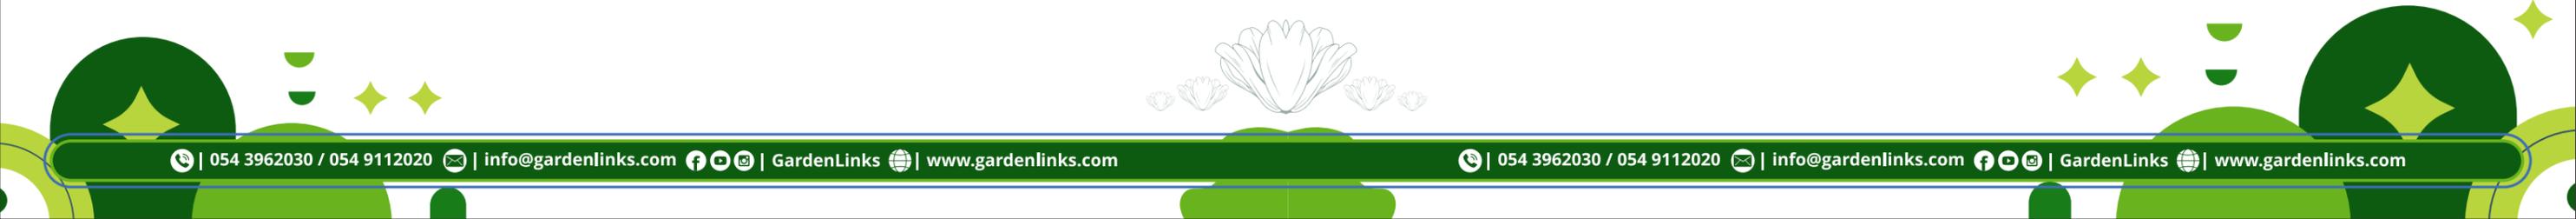

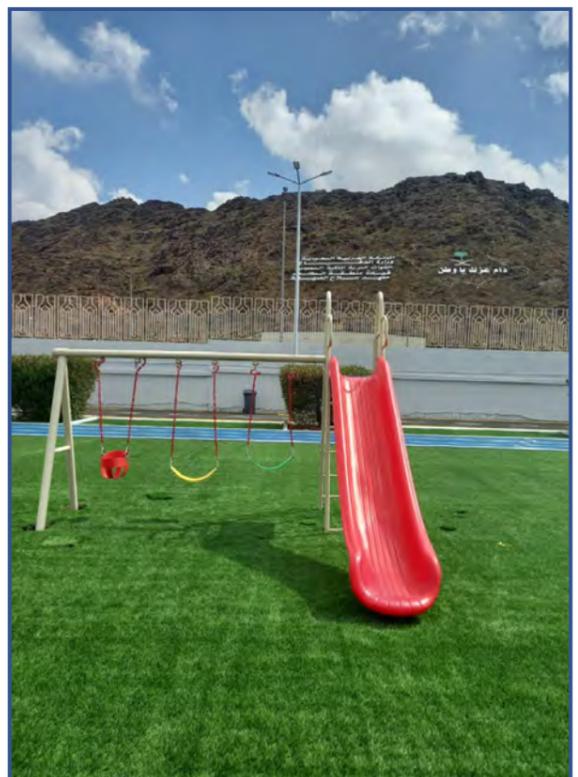

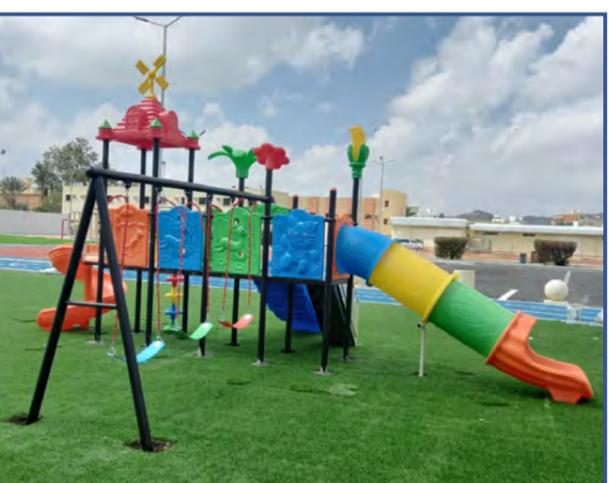

**PUBLIC PARK, ABHA**

This Abha project reflects Garden Links goal of promoting community wellness and child development by transforming outdoor spaces into joyful, inclusive environments. Whether under the sun or under the stars, our playgrounds ensure fun, movement, and memories for all.
