

Delivery, Traffic & Parking Information

Delivery Address	Dairy Tech 2027 Company Name & Stand Number Exhibitor Contact Name & Mobile Number NAEC, Stoneleigh Stoneleigh Park, Kenilworth Warwickshire, CV8 2LG
Vehicle Access Information	For more information on getting to Stoneleigh Park please click here. If using a Sat Nav, please using post code - CV8 2LG. Upon entering Stoneleigh Park, please follow signage and traffic marshalling to the area behind the halls where you will be able to unload your vehicle close to the back of the exhibition hall via the roller shutter doors.
Exhibitor Parking	Car parking at Stoneleigh Park is free of charge for exhibitors and visitors of the show. Once you have unloaded your vehicle you will be able to park in the designated car park for exhibitors, please follow signage and the direction of the traffic marshalls.
Delivering to your stand and large machinery & equipment delivery	Please ensure that deliveries are scheduled when someone will be onsite to receive them. Unloading and forklifting will be carried out by the official lifting contractor, Ian Gibson. <i>There is no need to pre book this service, please arrange it with the team when you arrive to site - they will be located between halls 2 & 3.</i> If you have any large deliveries please contact Ian Gibson to discuss logistics: T: 07973 289 386 E: i.gib@btinternet.com <i>Please note large pieces of equipment and machinery will need to arrive onsite between 0600 - 0800hrs on Monday 1 February in order to be delivered into the halls before the stands are built. Please ensure you let the organisers know (either via the compulsory form or by emailing dairytech@waysandmeansevents.com) if you are displaying large equipment or machinery.</i>
