History

Western Filters was established in 1981 and has almost 40 years experience in providing quality filters, automotive parts & filter cleaning services for DPF and 'Dry-Type' air filter elements.

We specialise in providing filters and cleaning services for SUVs, Four Wheel Drives, Utes, Cars, Trucks, Tractors and other machinery.

Provent Experience

Western Filters has a long standing relationship with MANN+Hummel and in particular with the Provent 200 Oil Catch Cans - going back to the early 2000s. The Provent sets the industry benchmark when it comes to oil catch cans.

Over the last 10 years, Western Filters have been developing, refining & creating a growing range of MANN Provent 200 Vehicle Specific Catch Can Kits. We will continue delivering new kits for the latest models, while improving our existing range.
