

BRAVO AT771

Performance when it's wanted.
Safety when it's needed.

The M&S all-season rated **Maxxis Bravo AT771** is designed to offer strong on road performance with good ride qualities and low noise generation, while still able to provide confident "off the road" handling and traction.

All season, all terrain tyre designed for **excellent off-road performance** while retaining **on-road refinement**.

Multi-pitch tread pattern design **minimises pattern and road noise** while maintaining **excellent off-road performance**.

Staggered shoulder lug design creates a biting edge for **extra off-road traction**.

3D tread blocks provide additional tread stiffness to **minimise irregular wear** and **increase overall stability**.

Four unique U-shaped circumferential grooves offer **excellent hydroplaning resistance** while **minimising rock retention**.

Jointless spiral-wound cap ply **maximises ride refinement and durability**.

Overall construction designed to **improve off-road stability and handling**.
