WARRANTY & OPTIONS

WARRANTY

Boss Aluminium offers a lifetime workmanship warranty for all BA aluminium products. We have designed and manufactured our products to last in the toughest of conditions and are confident that you will be satisfied with the quality you receive.

The canvas component of our products feature a 5-year warranty. All third party items are covered by manufacturers warranty.

12V SYSTEMS

Boss offers complete 12V systems that will suit any need. Ranging between simple under-bonnet AGM solutions to extreme lithium touring solutions, we have an option for you. Our systems are available with up to 320ah lithium batteries, 80 amps of charging and a 3000w inverter to ensure that any appliances you are wanting are able to run off your canopy 12v system. Pricing for the Boss PowerSeries range can be found in the M-Spec Price List.

DOG BOXES

Dog Boxes are an option for our M-Spec Canopy range and can be integrated into all M-Spec Canopies. They maintain our ultra secure reinforced doors and 3-point locking system ensuring maximum security and safety.

Our Dog Boxes include one door with a mesh cutout and a removable cover. Speak to our team today to discuss the best dog box solution for your needs.
