

# ADVENTURE GEAR FOR FAMILY FUN

## Adventure Carrier

Baby & Toddler Carrier

”

### CUSTOMER REVIEW

Living on the road means we have limited space. So needed something that would pack down small. We were most surprised about the amount of pockets and storage space it still has!

## CUSTOMER REVIEW

"I wanted something with storage that I could use without help."

- Amelia-

## CUSTOMER REVIEW

So lightweight and easy to use, I carried my 8 month old for a 2 hour walk with ease. He looked so relaxed and even had a little nap during that time.

-@jocini\_83

## CUSTOMER REVIEW

We love exploring outdoors and now our family can easily go on picnics and nature walks with fewer items to worry about. Oh and I love the easily accessible snack pockets!

-Amy and family -

## CUSTOMER REVIEW

So best purchase for us! As active outdoorsy people before our Son, we didn't want to lose that lifestyle - the Adventure Carrier has allowed us to continue to explore our environment and experience our convenient and way that is super convenient and Hendrix loves too!

-@brightsidekyle -

**This Australian-designed Baby & Toddler carrier backpack combines all the nappy bag storage you need with a compact and lightweight hiking carrier frame.**

**At only 2.35kg, it's much lighter than other hiking carriers, while offering more storage than other compact carriers.**

**Your little one will love their elevated view while sitting in their cozy, custom designed harness.**

- Take everything you need in one bag
- Be active as a family
- Light and compact design
- Age: 6months - 3.5 years (or 15kg)

### Included in purchase:

- Adventure Baby Carrier
- Detachable Rain hood - 2x Foot Stirrups

### IMPORTANT NOTE:

**This product is NOT a free-standing carrier. The child in the Adventure Carrier must be supported by an adult at all times.**

**Certified in accordance with international safety standard**

**I.S. EN 13209-1: 2004**
