SLIMLINE II

MODULAR

- Modular construction allows for maximum versatility
- Add slats easily to create a full platform for ultimate deck space
- Remove slats to create unobstructed access to a vehicle's sunroof
- Add Expedition Rails on the sides, front or back to create a basket-style look and functionality

STRONG

- L-shaped rear and front slat design increases the strength of the entire rack, making the Slimline II the lightest and the strongest roof rack available
- Designed specifically for the heavy-duty off-road use
- Made from high-density aluminum
- Double-walled channels create superior joint support

LIGHTWEIGHT

- Aluminum construction is 30% lighter than steel on average, maximizing strength-to-weight ratio

MULTI-FUNCTIONAL

- Compatible with 55+ Front Runner rack accessories
- Accessories quickly bolt onto slats for easy installation
- Accessories can be attached to top, bottom or sides of rack

DURABLE

- Designed and powder-coated to take the abuse of the sun, the rain, the gear and any road condition
- Manufactured in South Africa with corrosion-free aluminum, ensuring a lifetime of dependability

SLIMSPORT

SLEEK DESIGN

- Low profile minimizes drag noise and allows access to low clearance garages
- Sleek rack shape fits the vehicle's roof, to complement vehicle aesthetics
- Wind Fairing for reduced drag and improved aerodynamics

MULTI-FUNCTIONAL

- Creates space for a wide variety of adventure gear combinations
- Compatible with 55+ Front Runner Rack Accessories

USER-FRIENDLY

- Easily accessible mounting options make the vehicle ready for adventure at a moment's notice

LIGHTWEIGHT

- Aluminum construction is 30% lighter than steel on average, maximizing strength-to-weight ratio

DURABLE

- Designed and manufactured in South Africa to withstand the harshest climates, ensuring a lifetime of dependability

SLIMPRO VAN RACK

VERSATILE

- Variable high & low profile slat configuration
- Crossbar slat configuration with side access T-slots
- Easy adjustability of slats for mounting different accessories

MULTI-FUNCTIONAL

- Suitable for most Front Runner top & side-mounted accessories
- Compatible with 55+ Front Runner Rack Accessories

LIGHTWEIGHT

- Aluminum construction is 30% lighter than steel on average, maximizing strength-to-weight ratio

MODULAR

- Modular construction allows for multiple configurations
- Easily accommodates roof mounted air conditioning units, sky lights and air vents

DURABLE

- Designed and manufactured in South Africa to withstand the harshest climates, ensuring a lifetime of dependability
