

SURVIVAL HANDY FIRST AID KIT

The SURVIVAL Handy First Aid KIT is a small but serious first aid KIT -- easy to carry, pack and store – allowing you to respond to any kind of emergency.

Key Features:

- Weighs just under 500 grams
- Includes a lightweight, compact emergency blanket that can be used to treat shock and hypothermia.
- The colour-coded labelling system also enables you to clearly identify first aid contents and explains the typical use for each item.

Price: \$99.95
