# TONNEAU COVERS

## INFORMATION:

The OCAM Retractable Tonneau Covers are built to OEM standards, coming in either Electric or Manual options. With safety and security at the forefront of this intelligent design, each aluminium bar interlocks with each other making these safe and easy to use. Plus, they're stylish.

- Super easy to install
- Suitable for utes with or without a tub liner.
- Exceptionally smooth retraction.
- Water and weather resistant materials.
- Channels on either side for accessories.
- High quality textured power-coated finish.
