

## Wandarrah

The Club owns an 80 acre bush property near Heyfield/Lake Glenmaggie in Gippsland. The property is used as a retreat as well as a base camp for trips within the region or sometimes just for social events. The property has many camping areas and is equipped with:

**Flushing toilets**   **Hot water**  
**Showers**   **Large hut**  
**Gazebo**   **Cooking area**  
**Fire pits**   **Kids playground**

There are many 4WD tracks throughout the property including a purpose-built driver training course.

The property is maintained by members through working bees that happen during the year. They are great social events.

## Family Orientated Club

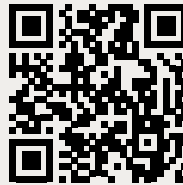

We are proud to say we are a family orientated club with many of our trips and activities organised around family participation.

## Can I come to a general meeting as a visitor

You are most welcome to come along as a visitor, bring a friend and ask questions. At the meetings conclusion, stay for cuppa and have a chat with the members.

If you are interested in joining the club visit our web page and click the JOIN NOW button. Follow the steps in our online application.

Tread Lightly

## About the Club

The Nissan 4x4 Club of Victoria (the Club) was formed in 1975 to engage and promote four wheel driving as a recreation.

We have over 200 memberships, many of which are families. Whilst many of the members drive Nissans, we welcome all makes of off-road vehicles.

The Club is an affiliated member of Four-Wheel Drive Victoria (FWDV) and is actively involved in strengthening the relationship between other affiliated clubs and Parks Victoria.

The Club works with Parks personnel to maintain access to the vast array of tracks and to help communities after natural disasters like fire and floods.

## Trips

Club trips are run throughout the year. They are the backbone of the club and are run by members with a varying range of experience.

These trips can vary from day, weekend to many weeks touring across Australia. Previous trip destinations include: Portland Sand Dunes, Rubicon Valley, Border Track, Victorian Mallee, Big Desert, Victorian High Country, Simpson Desert, Cape York, Kimberley, SA Beaches and deserts.

Our members run trips to their favourite destinations and the Club also offers “Trip Leader Training” to encourage members to become involved in leading trips. The Club provides the necessary tools, information and support for members to run their own club trips.

## Driver Training Program

The Driver Training is “second to none” and is provided at no extra cost to all our members.

Our instructors are FWDV accredited which allows us to train you to the highest of standards. Their training knowledge will give you the confidence to enjoy 4x4 driving in a safe and responsible manner.

Our instructors are very familiar with a variety of vehicles and will explain how your 4WD works irrespective of what vehicle you drive. Recovery techniques will be explained and demonstrated with safety as the prime factor. They will explain the best approach to a variety of terrain such as sand, water, mud, snow etc.

This course also covers convoy procedures and promotes responsible and sustainable 4WD bush driving and touring.
