NOTHING BEATS A NORWELD.

Norweld ute trays and canopies are built unlike any other available, and we do mean that literally.

Our commitment to quality, and passion for innovation drives us to continuously push the boundaries of work and adventure.

Custom aluminum extrusions, designed by us, specifically for our products form the frame of all Norweld trays and canopies.

Single sheets of aluminium form the roof, walls and floor of all our canopies and the deck of all our trays. This means no rivets and no seams.

You won't see our locks or taillights available anywhere else either. We've thought of everything, even down to the smallest details to make sure everything not only works, but looks the best too.

Everything stays in place, exactly where it should with independently engineered, 10mm thick alloy welded mounts.

Finally, when it comes to installation, our skilled technicians will manage the relocation of factory cameras, sensors and radars, ensuring a flawless fit and smooth integration.

LOCAL SERVICE
NATIONAL SUPPORT

LOCAL SERVICE, NATIONAL SUPPORT

It's not just our products that make us unbeatable. With eight Norweld owned branches around Australia, and over twenty Authorised Fitment Agents, you can get fit up somewhere close to you. If you ever find yourself in need of assistance you're never on your own.

LIFETIME WARRANTY
ON WORKMANSHIP

LIFETIME WARRANTY ON ALL WORKMANSHIP

Norweld ute trays and canopies are designed and built to last a lifetime of use in some of the harshest conditions in Australia.

With precision CNC-cut and a fully welded aluminium construction, our ute trays and canopies deliver a strong lightweight build.

AUSTRALIAN MADE & OWNED SINCE 1971

Being Australian Made and owned has always been something we are proud of. We don't just build the ultimate trays and canopies; we're dedicated to upholding the high standards of Australian manufacturing.

We're deeply passionate about passing on our skills and expertise to the next generation, empowering them to excel and continue the legacy of Australian craftsmanship.

FORD AUSTRALIA QUALIFIED VEHICLE MODIFIER

Norweld is QVM-accredited by Ford Australia, allowing us to modify Ford Rangers with ute trays and canopies that meet Ford's high standards for quality and compliance.

SAFE AND SECURE

Aside from getting you to site and back, your ute needs to keep you and your gear in good nic.

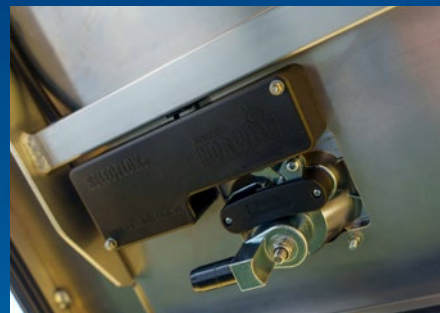

Norweld's tradie range has built in safety and security standard features, as well a range of optional accessories giving you the power to set up your workspace to work best for you.

NORWELD EXCLUSIVE LOCKS

Dual locking, supplied with keys as well as being padlockable, roller compression locks, exclusive to Norweld.

These locks, in combination with the canopy door gutter system and rubber seal ensure dust and water resistance for the canopy.

CENTRAL LOCKING UPGRADE

Running independently from the vehicle with it's own FOB and powered by your canopy wiring package, a central locking upgrade allows you to conveniently secure every canopy door lock with the click of a button.

*Not available for undertray toolboxes or drawers.

SLAM SAFE - REDUCE THE RISK OF INJURY

LOCKING REAR DRAWER

Safely locks out at full extension.

TORQUE HINGE TOOL BOXES

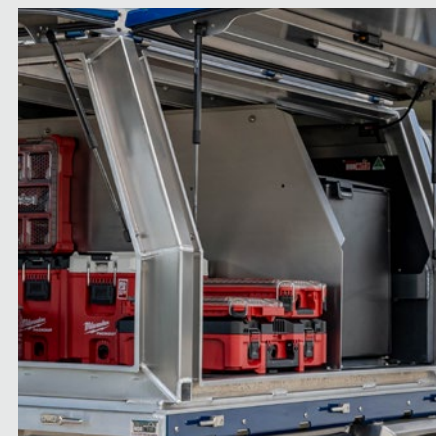

Premium hinges keep tension on under tray toolbox lids to prevent them from falling open.

DROP DOWN VICE HOLDER

Designed by Norweld to prevent the vice from slamming shut or swinging open, saving your fingers from being crushed.

STORE SAFE - SEGMENT AND SECURE

BOLT-IN PARTITIONS

Segments equipment inside the canopy, and creates additional tie down points.

TOOL BOXES

Lockable storage underneath the tray.

ROOF RACKS

Provides secure tie down points on the roof of the canopy.

ERGO SAFE - COMFORTABLE FOR EVERYDAY

POLY DRAWER SLIDES

Quick release and lightweight drawer trays to all suit all trades.

ADJUSTABLE SHELVING

Adjustable height and angle to suit you and your gear best.

FLUSH CANOPY FLOOR

Reduces potential back injuries (no lifting over lip).

UTE TRAYS AND CANOPY BASES

DELUXE PLUS TRAY

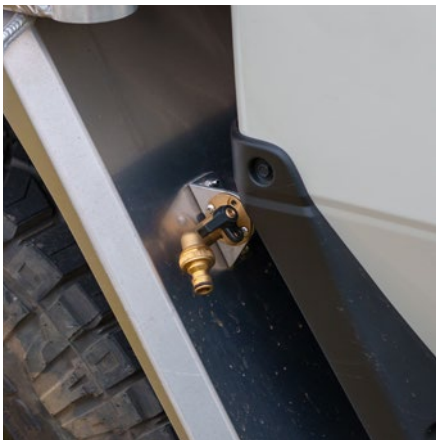

Deluxe Plus Tray (1826mm Length) | Toyota LandCruiser 79 Dual Cab

TUBE HEADBOARD
76mm x 5mm mandrel-bent tube headboard with integrated spare wheel holders.

1200MM LONG REAR TRUNDLE DRAWER
Store tools, shovels or spare parts in a 1200mm dust and water resistant trundle draw. Made with heavy-duty 227kg rated drawer slides.

40L / 58L UNDER TRAY WATER TANK
Whether cleaning up between jobs sites or having clean water on weekend adventures, having water on the road is a valuable resource.

TRADIE DELUXE PLUS TRAY

Tradie Deluxe Plus Tray (2526mm Length) | Toyota HiLux Single Cab

TUBE HEADBOARD
76mm x 5mm mandrel-bent tube headboard with integrated spare wheel holders.

1600MM LONG LOCK OUT REAR TRUNDLE DRAWER
Store tools, shovels or spare parts in a 1600mm dust and water resistant trundle draw. Made with heavy-duty 227kg rated drawer slides.

23L UNDER TRAY HAND WASH TANK
23L hand wash tank bolts under tray, allowing easy clean ups on site and between jobs. Includes soap dispenser.

ELITE TRAY

Elite Tray (1826mm Length) | Ford Ranger Dual Cab

CONTEMPORARY HEADBOARD

Featuring 3mm router cut, colour-coded infill panel, and a mandrel bent tube with aerodynamic profile.

Headboard base features integrated tie down points.

1200MM LONG REAR TRUNDLE DRAWER WITH DROP IN TABLE

Store tools, shovels or spare parts in a 1200mm dust and water resistant trundle draw. Made with heavy-duty 227kg rated drawer slides.

Drop in table included as standard.

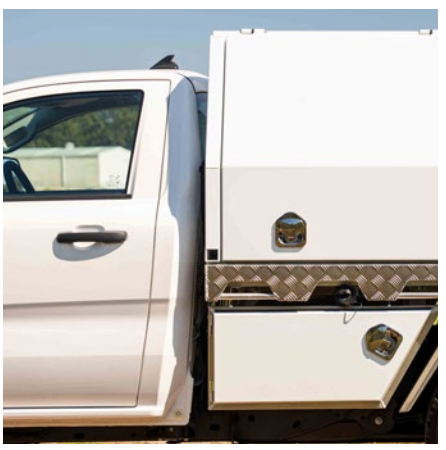

UNDER TRAY TOOLBOXES WITH CONSTANT TORQUE HINGES

Keep tension on toolbox lids to prevent them from falling open and damaging paint.

TRADIE DELUXE CANOPY BASE

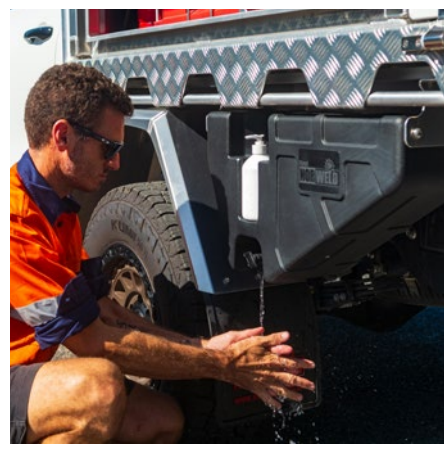

Tradie 3-Door Basic Canopy (2440mm Length) |
Full-Time Tradie Deluxe Canopy Base (2440mm Length) |
Ford Ranger Single Cab

FULL-TIME CANOPY USE
With no headboard, a canopy base is designed for full-time canopy use, with the added benefit of reduced overall mass and centralised weight distribution.

1600MM LONG LOCK OUT REAR TRUNDLE DRAWER
Store tools, shovels or spare parts in a 1600mm dust and water resistant trundle draw. Made with heavy-duty 227kg rated drawer slides.

23L UNDER TRAY HAND WASH TANK
23L hand wash tank bolts under tray, allowing easy clean ups on site and between jobs. Includes soap dispenser.

CANOPIES
GUIDE

This guide will help you find the right canopy for your needs, by considering your vehicle and intended use.

1. FULL-TIME OR WIND-OFF

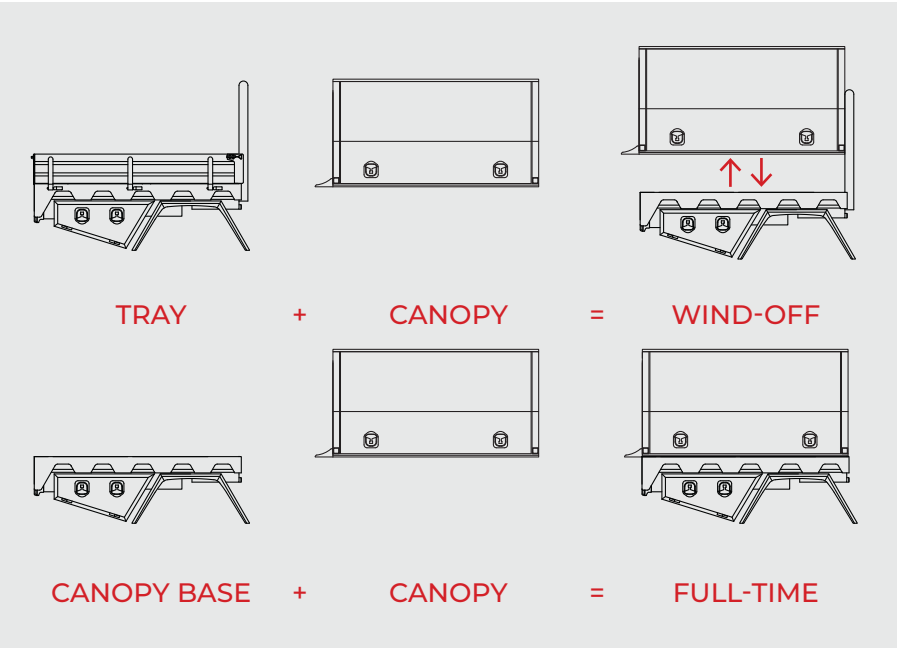

As part of our commitment to quality, Norweld canopies and toolboxes are built exclusively to suit our range of trays and canopy bases.

WIND-OFF CANOPY

This Norweld tray and canopy system allows you to remove your canopy and utilise the deck space of your Norweld Tray with tube headboard.

FULL-TIME CANOPY

For full time canopy use, these bases save on overall mass and centralise weight distribution with no headboard at the front of the deck.

2. BASE DECK LENGTH & VEHICLE SIZE

Depending on the size of your vehicle Norweld has a tray or canopy base to suit. The table below outlines what length tray and canopy base is compatible with which vehicles.

	FULL-TIME CANOPY BASE LENGTH (MM)	WIND-OFF CANOPY TRAY BASE (MM)	COMPATIBLE VEHICLES
DUAL CAB	1740	1826	Toyota LandCruiser 79, Toyota HiLux, Ford Ranger, Isuzu D-Max, Mazda BT-50, Volkswagen Amarok, Nissan Navara, Holden Colorado
EXTRA CAB	2040	2126	Toyota HiLux, Ford Ranger, Isuzu D-Max, Mazda BT-50, Volkswagen Amarok, Nissan Navara, Holden Colorado
SINGLE CAB	2440	2526	Toyota LandCruiser 79, Toyota HiLux, Ford Ranger, Isuzu D-Max, Mazda BT-50, Volkswagen Amarok, Nissan Navara, Holden Colorado

3. CANOPY LENGTH

Norweld offers a range of canopy lengths, whether you're looking for a two or three door canopy, a full length option or a compact look.

TWO DOOR CANOPY LENGTHS (MM)	HALF CANOPIES				
	950	1500	1740	2040	2200
DUAL CAB Deck Length: 1740mm	•	•	•		
EXTRA CAB Deck Length: 2040mm	•	•	•	•	
SINGLE CAB Deck Length: 2440mm	•	•	•	•	•

THREE DOOR CANOPY LENGTHS (MM)	1740	2040	2440
DUAL CAB Deck Length: 1740mm	•		
EXTRA CAB Deck Length: 2040mm		•	
SINGLE CAB Deck Length: 2440mm			•

4. CANOPY LAYOUT

Norweld canopies and toolboxes offer and range of pre-set configurations:

BASIC CANOPY

Empty internal layout.

CARGO CANOPY

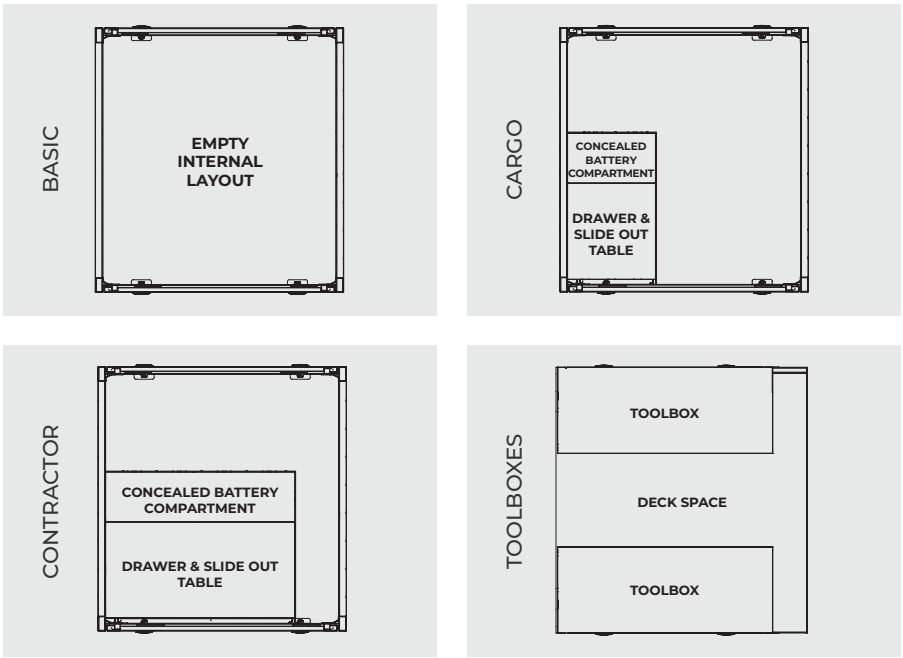

Fully welded 510mm slide out drawer and table on passenger side. A concealed battery compartment is located behind the drawer.

CONTRACTOR CANOPY

Fully welded 1200mm slide out drawer and table on passenger side. A concealed battery compartment is located behind the drawer.

GULLWING TOOLBOXES

Offers ventilated and accessible use of deck space, whether in a single or dual toolbox configuration.

ACCESSORIES TRAYS

BACK LADDER RACK

76mm Mandrel-bent tube rear ladder rack follows the same contour as the headboard.
Supports longer lengths of materials and equipment.
Bolt on for removal with ease.

ACCESSORIES GULLWING TOOLBOXES

CENTRE TILT ROOF

Restricts loose item movement and helps to create a secure, ventilated storage space between two toolboxes.
Strut assisted action helps lifting tilt roof and grab handle also acts as a locking device when rear gate shuts.
Designed to allow a 120W solar panel to be fitted to it.

FLUSH TIE DOWNS

Flush with the floor of the tray, these stainless steel rings secure objects within the tray with ropes and straps.
Available in as set of four in 1826mm length trays and a set of six in all other tray lengths.

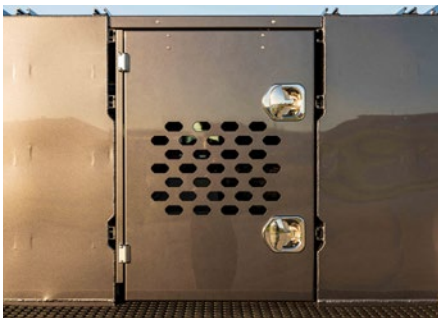

FLIP-UP BACK LADDER RACK ENDS

To aid in securing materials and equipment to both the back rack and headboard. Comes as set of four.
Made from 4mm aluminium with stainless steel fixings.

DROP IN TABLE

The drop-in table for your rear trundle drawer is the perfect solution for a compact work bench.
Designed to stay in position when not being used the 2.5mm sheet metal design takes up next to no space and adds minimal weight.

REAR GATE

Restricts loose item movement and creates helps to create a secure, ventilated storage space between two toolboxes.
Made with premium constant torque hinges, and Norweld exclusive dual locking roller compression locks.

HEADBOARD GUARD

Ensures protection of rear windscreen if running a full-time canopy base with no headboard.
Restricts loose item movement and reduces risk of items protruding through rear windscreen

ADJUSTABLE SHELVING

Configure your toolbox to best suit your everyday needs with bolt in shelves and vertical divider.

ACCESSORIES CANOPIES

BOLT IN POLY SLIDE DRAWER UNITS

Using an innovative, grease-free alternative to traditional drawer slides, these drawers will not jam from built up dust or dirt.

Drawers able to be easily removed and a built in locking mechanism secures them in place. Available in 600mm and 1200mm widths.

BOLT IN ADJUSTABLE SHELVING UNIT

Adjustable height and angle to suit you and your gear best.

Cut outs on the front of shelves provide tie down points .

Available in 600mm and 1200mm widths.

OVERHEAD SHELVES

These heavy-duty designed shelves allow you to utilise more space in your canopy by bolting to the canopy roof mounted unistrut.

Integrated tie down points and pre-cut holes allow you to secure items such as tools, air compressors and tanks.

Available in 600mm and 1075mm widths.

BOLT IN PARTITIONS

Segments equipment inside the canopy, and create additional tie down points.

Available in four sizes to suit all canopy configurations.

SLIDE OUT VICE

Norweld designed and made, with electro polished stainless steel construction.

Bolts directly to ergo safe flush canopy floor or to tray deck.

Vice can be removed and stored in under tray drawer when not in use

Made to suit 4 inch vice.

DROP DOWN VICE

Norweld designed and made, to prevent the vice from slamming shut or swinging open, saving your fingers from being crushed.

Bolts direct to ergo safe flush canopy floor, to tray deck or inside basic gullwing toolbox.

Constructed of electro polished stainless steel.

ACCESSORIES CANOPIES

ROOF RACKS

Create additional tie down points on the roof of your canopy with a Norweld aluminium mesh roof rack. Available in two sizes to suit Tradie canopy range.

Multi-Rack: 1740mm long

Tradie-Rack: 2200mm long

65L UPRIGHT FRIDGE

The Bushman DC65-X is an efficient and reliable upright 12V fridge. A compact food storage option, ideal for work lunches on site.

TRAVEL BUDDY OVEN KIT

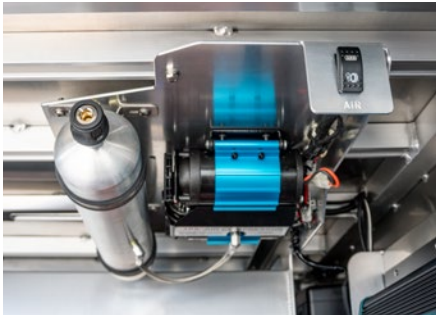

Fast food takes on a new meaning with the Travel Buddy. This portable, lightweight, 12 volt oven can cook, bake and warm foods while you travel.

Conveniently install it into your Norweld canopy with our specially designed bolt-in mount that secures to the canopy roof.

WIND OFF JACKS

Wind off jacks come as a set of four with handles to allow easy removal of your canopy.

AIR COMPRESSOR AND TANK

Whether it's inflating your tyres after hitting the beach or blowing off some sawdust, our twin air compressor kit is a great add on for your canopy. Featuring the ARB twin motor design and a 4L air tank, additional hose, air duster and tyre inflator.

Installed securely to the ceiling of your canopy with a Norweld designed and built bracket.

DUAL STAGE DROP DOWN LADDER

Gain access to the roof of your canopy with ease.

A Norweld custom aluminium extrusion forms the steps, providing stability and grip.

Our exclusive hinges are rattle and service free.

All systems are designed to accommodate solar panels designed for 4WD use. As the Norweld systems include a solar regulator built into the DC charger, a regulator is not required on the solar panel.

No Norweld canopy package is complete without one of our canopy wiring packages. These kits are designed to cater for general everyday use through to the more serious overlander and long distance traveler.
