

BOSS ALUMINIUM PANTRY/KITCHEN & OVERLANDER PACKAGE

OFF-GRID COOKING LUXURY

Clip-On Table Extension:

Expand your bench space with the supplied clip on table extension including a removable kitchen sink, making all of the kitchen duties a breeze.

Crafted For Adventure

Turn your canopy into a fully equipped mobile kitchen with the Boss Pantry/Kitchen, seamlessly fitting into a standard module bay across the Boss canopy range.

With ample storage and versatile cooking surfaces, this modular system adapts to your needs, keeping everything within easy reach. Whether you're heading off for a weekend escape or tackling an extended off-grid adventure, it makes meal prep, cooking, and clean-up effortless, so you can focus on the journey ahead.

Which one's right for you?

The Boss Pantry/Kitchen is ideal for those who need a compact, efficient storage and prep space. If you want to take your touring setup to the next level, the Overlander package adds integrated lighting, a pre-wired Travel Buddy oven, and dedicated coffee pod storage, giving you the convenience of a fully equipped mobile kitchen. Whether you're making a quick roadside meal or preparing a feast at camp, this upgrade ensures everything is organised, accessible, and ready to go whenever you need it.
