

# UTECABIN

**TURN YOUR UTE INTO  
*A LUXURIOUS HOME*  
ON WHEELS WITH A UTECABIN**

## RANGE

## UTE CABIN KING CLASS

The Ultimate Luxurious Slide-On Camper

Introducing the new 2025 model Ute Cabin King Class designed for 4 door double cab utes with Tubs or Trays.

The premium slide-on camper designed for those who refuse to compromise. Built with durability, comfort, and innovation, the King Class is your ultimate adventure companion.

**\$88,700** inc GST

## UTE CABIN QUEEN CLASS

Introducing the new 2025 Model Ute Cabin Queen Class

Including the same quality build and features as the King Class but this versatile slide-on ute camper is designed for 2 door Space Cab and 2 door Single Cab Utes with Tubs or Trays. Featuring a larger living area, queen size bed and a spacious 95 lt fridge, larger kitchen, more cupboard space and bench space setting it apart from the King Class.

**\$89,600** inc GST

# UPGRADE OPTIONS

With everything already included in the Ute Cabin price, you have just four additional upgrades to consider:

- 1. EcoFlow Independence Kit:** Travel off grid and live for free. Explore remote areas confidently
- 2. Solar Panels Selection:** Customise your solar power supply from 100 to 700 watts
- 3. Electric Jack Legs Set:** Detach your Ute Cabin from your ute by remote control in a mere 8 minutes
- 4. Fastgun Turnbuckle Set:** Effortlessly remove the turnbuckles in seconds without the need for tools

## ECOFLOW INDEPENDENCE KIT

**\$13,950** Factory Fitted

World's first integrated, plug-and-play power solution designed especially for tiny homes & RVs.

- » 1 x Power Hub
- » 1 x 5kWh LFP Battery (add extra 5kw \$7,575)
