# OUR RANGE:

Upgrade your towing experience with the OCAM Towing Mirrors. Available in to different designs to suit your needs, the mirrors are manufactured to OEM specifications, providing you with a plug and play replacement that is simple to install.

## **'TM2' TOWING MIRRORS**

The OCAM 'TM2' Towing Mirrors are the greatest aftermarket OEM mirror replacement option available. Boasting large split glass mirrors, you will easily see behind what you are towing and across the road.

'Short' Towing Mirrors available in the TM2 design which keeps the mirrors closer to the door for a narrower finish.

## **'TM3' TOWING MIRRORS**

The OCAM 'TM3' Towing Mirrors are designed to combine functionality with sleek aesthetics. Engineered for optimal performance, these mirrors will give you ultimate vision on the roads when you are towing, or just driving normally.

## **FEATURES:**

- All mirrors ADR compliant
- Direct OEM replacement - easy to install
- Aluminium footbase for strength and durability
- Extendable for towing and able to be pushed back in when not in use which is built on a solid extension slide
- Increase your range by 200mm over standard factory mirrors
- Will cover many blind spots
