VENTURE CANOPY

Venture canopy features a steel frame, lift-up windows, push-button access and sleek styling that's built to perform

HARD LID

Secure your gear with a low-profile, lockable lid—available in heavy-duty ABS or alloy options.

UTE TUB RACK

Secure your gear with a low-profile, lockable lid—available in heavy-duty ABS or alloy options.

FLOOR MATS

Our mats deliver a precision fit, all-weather protection, and easy cleaning—backed by a lifetime warranty.

TUB LINERS

Our tub liners come in one-piece, five-piece and tailgate options—built for fit, function, and protection.

SLIDING TRAY

MaxSliding Tray gives you fast, easy access to your tub. 250kg capacity and is canopy compatible.

MAXBOX STORAGE

Maxliner MaxBoxes offer lockable rear and side storage. Three styles available to keep your gear secure and sorted.

TAILGATE ASSIST

Secure your gear with a low-profile, lockable lid—available in heavy-duty ABS or alloy options.

STYLING

Enhance your ute with Maxliner flares, weather shields, door mouldings and more. Built for protection, finished with style.
