Battery Kits

Battery kits include battery enclosure, REDARC BCDC Charger & Invicta 100AH or 200AH Lithium Battery. (Invicta 100AH Lithium Slimljne Battery also available)

Trig Point 120W Solar Panel

Solar panels can be fitted to the roof of the canopy with specially designed brackets. Panels can be fitted in conjunction with Rhino Roof Bars. Multiple panels can be fitted to increase your solar input.

Reverse Camera Systems

We carry a range of camera kits specifically suited to bolt right onto your canopy and inside your vehicle.

Power Panels

Trig Point Power Panels are a great addition to your dual battery install. These are fitted with outlets, fuse box, switch provisions & battery monitor (if required).

Single Camera Kit

Dual Camera Kit

When vehicle is equipped with OE camera, this can be easily relocated to the rear of the canopy.

Redarc Inverters

Redarc Pure Sine Wave Inverters, allow you to use your 240V appliances on the go.

ARB Twin Compressor Kit

ARB Twin Compressor kit mounted into your Canopy Toolbox. Includes 4L air tank, 6mtr air hose, blow gun & tyre chuck.

Interior Lighting

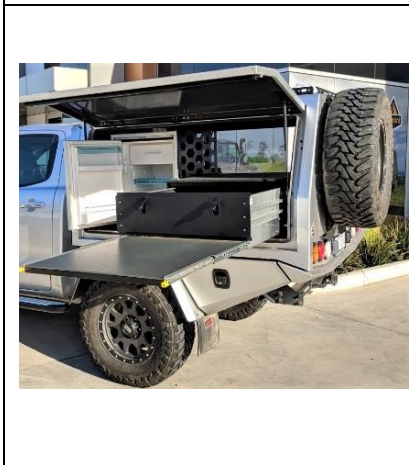

Whilst the canopies do come fitted with interior lighting, we can offer some additional lighting options on the interior.

ARB Single Compressor Kit

ARB Single Compressor kit mounted into your Canopy Toolbox. Includes 6mtr air hose & tyre chuck.

Exterior Work Lights

A variety of external lighting solutions are available to meet your camping and work requirements.

Drawer Systems

Custom made aluminium drawers designed for our Canopies. All drawers are 345mm high.

Single Drawer - standard sizes.

Single Drawer (with pull out table) - standard sizes.

Custom Drawer sizes/configurations available.

Fridge Drop Slides

We carry a large range of MSA4x4 and Clearview straight and drop slides.

 	<p>Rear Winch Cradle</p> <p>This cradle will handle most 12,000lb winches and fits neatly above your factory tow bar and mounts to your chassis. Designed to fit most applications under trays and canopies.* Kit includes winch cradle and bolts.</p> <p>Suits LC79, Hilux 2015+, Ranger 2011+, LC200 (ASG only) & GQ/GU Coil Cab</p> <p>*Fitment not confirmed with all tow bars that are not OEM, nor all trays and canopies.</p>		<p>Upright Fridges</p> <p>Bushman Upright Fridge Freezer - 12v DC85-X - 85L DC130-X - 130L</p> <p>Other fridge brands also available and compatible with Trig Point Canopies - contact us for more info.</p>
