DIMENSIONS

Overall Height (mm)	2,039
Overall Length (mm)	6,387
Overall Width (mm)	2,263

CLEARANCE

Ground Clearance (Kerb Weight) Approach Angle (Degrees) = 28.5
Ground Clearance (Kerb Weight) Departure Angle (Degrees) = 23.6
Ground Clearance (Kerb Weight) Breakover Angle (Degrees) = 19
Ground Clearance (Kerb Weight) Running Clearance (mm) = 251

#Figures correct under NB1 Category. For NB2 Classification specification details, please speak to your local GMSV Dealer. [^]Some camera views require available Accessory Camera & installation. Not compatible with all trailers.

*Maximum braked towing capacity using a 70mm ball. Maximum braked towing capacity is subject to regulatory requirements & vehicle weight restrictions (which may require occupants &/or luggage to be restricted)

+To achieve max Gross Combined Mass (kg), 3rd party tow bar hardware, braking system & certification is required. Features & specifications are as at November 2021. Due to ongoing supply-chain disruptions caused by a global resource shortage, certain vehicle features shown may be limited, available post vehicle delivery or are no longer available. Please contact your local GMSV Dealer for updated information about current availability & full specification details.
