

# TRED GT STORAGE BOX

## BBQ Feet Recess

Integrated BBQ feet recess point to suit Weber® Q

## TRED Link Bottle Opener

TRED Link Bottle Opener storage point, so you can always find your bottle opener when you need it, also links two TRED Storage Box lids together.

## Tie-Down Slots

Strap your TRED Storage Box down securely with our built in strap slots, allowing free and unobscured access.

## Multi-Direction Opening Lid

Storage box lid opens conveniently front to back, back to front and straight off.

MADE WITH  
**POLYPROPYLENE**  
Automotive Grade Formulation

## Superior Design, Durability

Designed to withstand tough use, with beveled corners to avoid right angle corner damage/weakness, and nested stacking when not in use.

## 65L Volume

I.D. 525mm (20.67in) (L) x 440mm (17.32in) (W) x 290mm (11.42in) (H)  
O.D. 575mm (22.64in) (L) x 510mm (20.08in) (W) x 355mm (13.98in) (H)

## 25L Volume

I.D. 525mm (20.67in) (L) x 440mm (17.32in) (W) x 115mm (4.5in) (H)  
O.D. 575mm (22.64in) (L) x 510mm (20.08in) (W) x 175mm (6.8in) (H)

## MULTI-DIRECTION OPENING LID

Storage Box lid opens conveniently front to back, back to front and straight off, offering extreme versatility and convenient access.

## TRED LINK

Link multiple lids together with the TRED Link Bottle Opener.

## HIGH-STRENGTH & LIGHTWEIGHT

Made with our Automotive Grade Polypropylene, TRED Storage Boxes are ready for the most extreme terrain and weather conditions - combining game-changing design, high-quality material and lightweight convenience.

## FEATURES

The **TRED GT Storage Box** has been meticulously designed and expertly engineered to keep all your gear safe, dry, and secure. With the multi-directional opening lid, BBQ feet recesses, weather-resistant seal, bottle opener storage, integrated screw bosses, tie-down points, and TRED Link connectivity, the **TRED GT Storage Box** is perfect for off-roading, touring, boating, fishing, camping, farming, general gear storage at home, and hunting. With two sizes, perfectly designed for stacking, the **TRED GT Storage Box** is packed full of innovative features - you just need to supply the gear and choose

## DESIGN

- Australian Made
- Comes in 65L and 25L sizes
- Multi-direction opening and removable lid
- Weatherproof seal
- Tie-down points allow the lid to be opened when the box is strapped down
- Weber® Q BBQ integrated feet recess points
- Bottle Opener with snap-in storage
- TRED-Link Bottle Opener links multiple lids together
- Lockable design
- Integrated screw bosses inside the box
- Nestable for convenient storage when not in use
- Made from UV-resistant, high-strength, lightweight Automotive Grade Polypropylene to withstand Australia's tough conditions

## USAGE

- Lid latches allow multi-direction opening. Open one side at a time, or completely and easily remove the lid.
- Stack multiple boxes neatly
- Place Weber® Q BBQ on top and position into the recesses on the lid for secure cooking\*

\*Cooking duration must not exceed 30 mins, fat catching tray must be fitted to BBQ your destination.
