ABOUT OUR COMPANY

Pirate Camp Co is a cutting-edge start-up for the adventurous thrill-seekers. We specialise in delivering innovative, top-of-the-line 4x4 accessories and camping gear that will take your off-road experiences to the next level.

We are a family-run business, fiercely proud to be 100% Australian owned and made.

With our focus on design and manufacturing superiority, we are your go-to source for all aftermarket 4x4 accessories and camping needs.

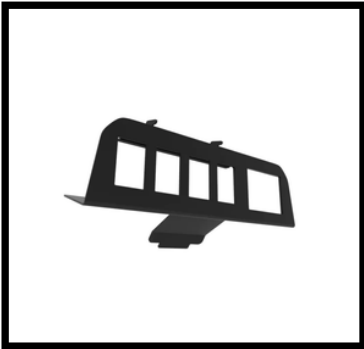

We welcome you to join the ranks of the rugged, adventurous thrill-seekers who trust our brand for their outdoor ventures.

NEXT-GEN RANGER / EVEREST ***2022+***

NEXT-GEN RANGER / EVEREST

DASH SWITCH CLUSTER

SC-001

Our dash switch panel fits perfectly without any modifications to your original dash. Unlike other solutions, our easy installation process won't require removing any console or trim pieces.

✔ Ranger XLT, Ranger Sport, Everest Ambiente

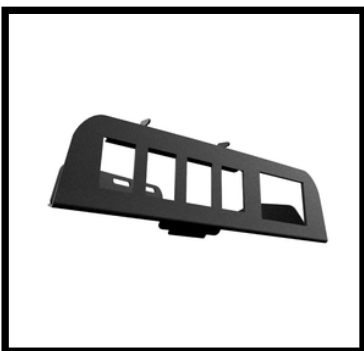

AERIAL BONNET MOUNT

AB-014-P

This provides an alternative mounting option for those not wanting a bulbar or nudge bar. They also act as a buggy whip mount, or flag mount. It's your choice.

✔ Suitable for all Next-Gen Ford Ranger & Everest Models

DASH SWITCH CLUSTER

SC-003

Our dash switch panel fits perfectly without any modifications to your original dash. Unlike other solutions, our easy installation process won't require removing any console or trim pieces.

✔ Suitable for Next-Gen Ford Wildtrak, Platinum, Everest Trend Sport Platinum

UNDER BONNET AUXILIARY BATTERY MOUNT

BB-003

This is our solution to fill the space allocated for a second battery under the bonnet of the Next-Gen Ranger & Everest. Designed for an easy install & purpose built. This tray also suits other batteries including lithium.

✔ Suitable for all Next-Gen Ford Ranger & Everest Models

NEXT-GEN RANGER / EVEREST

STACKED BONNET STRUT BRACKET

SB-004

Lifting & closing the bonnet just became easier. The struts effortlessly take the bonnet to the open position, then on descent back to the closed position they take over the last 75mm & pull the bonnet into the closed position. Also includes the Aerial Bonnet Mount.

✔ Suitable for all Next-Gen Ford Ranger & Everest Models

BONNET STRUT BRACKET

SB-003

Lifting & closing the bonnet just became easier. The struts effortlessly take the bonnet to the open position, then on descent back to the closed position they take over the last 75mm & pull the bonnet into the closed position.

✔ Suitable for all Next-Gen Ford Ranger & Everest Models

DUAL LIGHT BAR GRILL KIT

SC-001
