

THE BUSH COMPANY AWNING RANGE

The Original freestanding & strongest, with three different styles, The Bush Company has an awning option for pretty much everything you can think of. All of our awnings use a custom alloy extrusion and a 310gsm poly-cotton ripstop canvas that is treated for both mould and mildew resistance.

AWNING SPECS

All: 310gsm poly-cotton rip-stop canvas

All: Custom alloy extrusions with stainless steel fittings

All: Bag 460gsm rip-stop canvas & YKK zipper

	WEIGHT	COVERAGE
180XT MAX	26Kg	8.5m ²
270 XT	27.8Kg	8m ²
270 XT MAX	33.5Kg	12m ²

With years of experience working with canvas, The Bush Company has also been able to develop an amazing line of high quality gear to help you on your adventures. From cutlery roles to help keep your kitchen organised to toiletry bags to ensure your gear stays in great condition.
