## SAFE, SIMPLE RECOVERY SYSTEM

We're excited to announce the arrival of the all-new MAXTRAX Recovery System! After decades of 4x4ing in tough Aussie conditions and witnessing close calls with flying metal during recoveries, we knew there had to be a safer way.

- Reduction of metal in recovery components
- Any metal components made with high safety factors
- Build in a predictable point of failure if the system was overloaded

### MAXTRAX Fuse™ Shackle

Made from Ultra-High-Molecular-Weight-Polyethylene and Polyester the MAXTRAX FUSE SHACKLE is designed to be the controlled failure point of the MAXTRAX RECOVERY SYSTEM if the system is overloaded.

### MAXTRAX Core™ Shackle

The MAXTRAX CORE SHACKLE is designed to be at the CORE of two interacting MAXTRAX Products or connecting MAXTRAX Products to the vehicle.

### MAXTRAX Kinetic Ropes (2m, 3m, 5m & 10m)

Produces up to 30% ELONGATION providing a smoother safer recovery. Joining the different length ropes provides flexibility to make kinetic ropes suitable in length to your specific recovery scenario.

### MAXTRAX Static Rope 3m

The MAXTRAX STATIC ROPE is designed to be a static element during a vehicle recovery. The MAXTRAX STATIC ROPE 3 can be used as a Load Sharing Bridle, Tree Trunk Protector or as a 3m Extension Rope.

### MAXTRAX Hitch 50

The MAXTRAX Hitch 50 is designed exclusively for use with soft shackles. Designed, engineered & tested in Australia.

### MAXTRAX Winch Ring

Designed for use with soft shackles and synthetic winch ropes, The MAXTRAX Winch Ring 120 is Australian designed, engineered & tested. Lightweight Heavy Duty Snatch Block alternative.

### MAXTRAX Winch Rope

The MAXTRAX WINCH ROPE is a metal-free replacement winch rope and is designed as a safe alternative to steel winch cable, or synthetic winch ropes with a metal hook, metal or hard plastic thimble.

### MAXTRAX Recovery Kit Bag

Designed & engineered for sand, dirt and snow, the heavy duty, triple-layer, weather resistant carry bag provides functional & stylish storage for all your MAXTRAX Recovery Gear.
