

OUTBREAK

The 23 ZERO Outbreak is a game changer! The perfect 4 season touring swag for those who just want more. A large freestanding model measuring 1550mm x 2300mm long with near vertical walls the Outbreak does it all. This Double swag design will accommodate two large adults with extra room for any additional gear.

Convenient 4-way entry with zippered mesh screens to keeps the bugs out combined with panoramic 360 degree views and unique twin stargazing roof windows, fantastic cross flow ventilation is achieved. The Outbreak is fitted with full zip down storm covers and large all weather gusseted window awnings at each end to ensure the Outbreak keeps you dry in wet conditions. The gusseted window awnings at each end allow for controlled airflow in wet conditions reducing condensation within the swag. A tropical fly is also included although using it is optional.

Built using a 400gsm tightly woven proofed and balanced plain weave poly cotton canvas and sewn with Tex 90 poly cotton sewing thread incorporating 501 lock stitch twin needle seams, the Outbreak provides class leading strength and durability. The HF welded PVC bucket floor combined with the HF seam tape sealed seams ensure the inside of the swag remains dry offering ultimate protection and performance.

Additional features include a fully fitted 70mm hi-density covered foam mattress, 16mm diameter T6 anodized aluminium dome poles and an anti-corrosive easy to use aluminium trigger lock adjustable ridge pole.

The Outbreak swag comes with a large canvas carry bag big enough to accommodate your sleeping bag within the swag. Strong grab handles at each end ensures stowing is made easy.
