TCBOXES.COM.AU 2024 COLLECTION

At Concretum, we take pride in our commitment to professionalism, reliability, and quality. Our team is equipped with top-tier tools and comprises highly skilled professionals specialising in our field. The T.C Boxes investment for us was a no brainer. We wanted to have a setup that was full spec, built to last and capable withstanding the daily demands of our work. T.C Boxes does all this while looking super professional on the backs of our vehicles.

- Matthew Rickard, Concretum

T.C BOXES

'TRADES CHOICE'

The T.C Boxes team are dedicated professionals who work tirelessly to design and engineer top-notch storage solutions for tradies and outdoor enthusiasts across Australia. Our unwavering focus on durability and practicality is the cornerstone of our mission to always deliver exceptional quality materials and craftsmanship without any compromises. We believe in providing our customers with the best products, so they can get the job done right every time.

We understand the challenges faced by tradies and 4WDer's alike, and that's why we have developed a diverse range of products to meet their needs. Whether you're a tradesperson looking for a sturdy tray for your work vehicle or a 4WD enthusiast looking for the ultimate camping setup, T.C Boxes has got you covered. We take pride in offering a 24-month fully comprehensive warranty and uncompromising before and after-sales service to ensure our customers are always satisfied with their purchases.

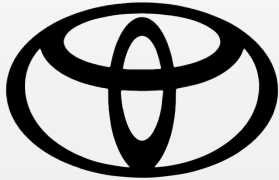

IT'S WHY WE'RE KNOWN AS THE "TRADES CHOICE" AUSTRALIA-WIDE.

PURPOSE BUILT STORAGE SOLUTIONS

Our dedicated team of over 100 professionals at T.C. Boxes designs, manufactures, and installs purpose-built trays, canopies, toolboxes and more for thousands of utes all over Australia.

Bring the Workshop With You

Tailoring your ute to your trade is more than just loading tools into a box. Being agile and efficient while on the road defines the success of your business. You need to trust a team that takes the time to listen and truly understands your profession, creating and installing solutions specifically suited to you.

The Adventure Starts With T.C Boxes

Building your ute for the remote landscapes of Australia is all about being prepared, adaptable and self-sufficient when heading off-road. Whether you're 4WDing through the high-country or camping under the stars in the Kimberley, you need reliable storage solutions to keep your gear safe. Embark on your adventure with T.C. Boxes, where every journey is a story waiting to unfold.

STANDARD T.C FEATURES ACROSS THE RANGE

Premium Grade Materials

T.C Boxes use only 1060 Corrosion Resistant F/P aluminium throughout the range. This choice not only ensures durability but also minimises weight compared to typical steel products, offering a balance of strength and efficiency.

Advanced Security

Our products are equipped with advanced security features, including robust dual-locking mechanisms and optional central locking add-ons.

Built for Australian Conditions

Each T.C Box is designed with 26mm cushion rubber seals around the doors and entrances, offering excellent resistance against dust and water ingress. Preserving all your equipment in extreme weather conditions.

Durability

The T.C Boxes range of products is built to last. Our construction methods prevent structural weaknesses, ensuring that our products don't succumb to rust or cracks over time.

Increased Organisation on the Road

Our storage solutions are designed for optimal organisation. With configurable compartments and layouts, you can efficiently arrange your tools and equipment, reducing movement and damage during transit.

24-Month Warranty

T.C Boxes stands behind the quality of its products with a 24-month comprehensive warranty. This warranty proves our commitment to durability and customer satisfaction, ensuring that every purchase is guaranteed to last the test of time.

PRECISION IN DELIVERY, CONFIDENCE IN SERVICE

After years of designing and engineering exceptional products, T.C Boxes has become known as the brand that Aussies can trust, backed by high-quality service every single time. From your very first interaction with us, you can rely on our market-leading customer care to guide you through the buying journey. With 15 years in the building industry prior to the opening of T.C Boxes, our team don't just know utes - we have first-hand experience with the needs of everyday tradies.

OUR SERVICES

Fitment / Installation

Get your T.C gear fitted to your vehicle by our on-site professional team of installers.

Freight / Dispatch Across Australia

No matter where you're based in Australia, we guarantee you'll have access to all of our T.C products.

Leading Customer Service

With a team full of members who truly care, there will always be someone willing to answer any questions you have.

Custom Powder Coating

We know everyone's idea of the perfect colour is different, that's why we offer custom powder coating across all our boxes.

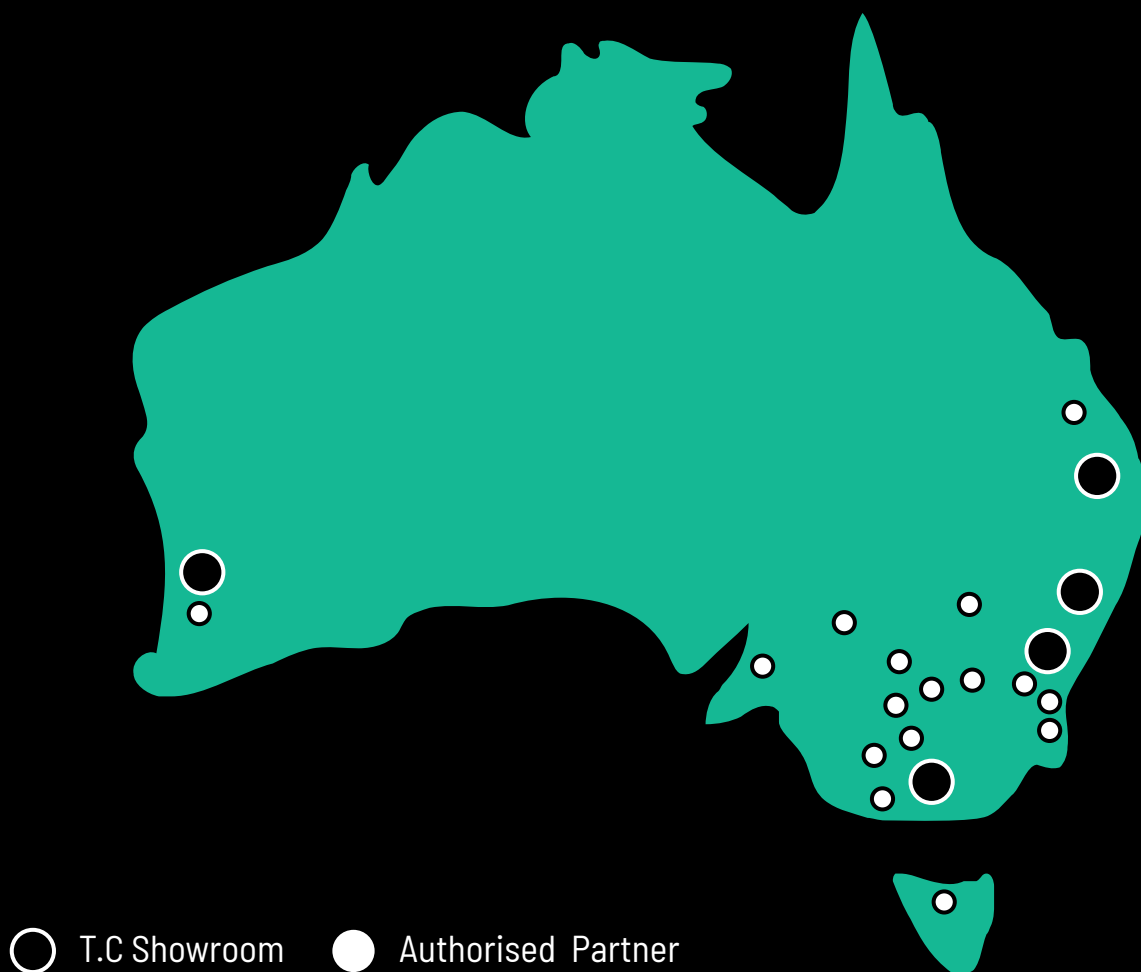

Availability Of Stock

At T.C Boxes we pride ourselves on having a large range of our stock readily available, so you're not left waiting.

Quality You Can Trust

After years of development, we've created Australia's highest quality and most diverse range of Trays, Canopies and Toolboxes.

Customer Care and Support Network

From the moment you place your order with T.C Boxes, our dedicated Customer Experience team and support network is at your service. To ensure a seamless pre and post sales experience, T.C Boxes coordinates with dealers, couriers and our operations teams to provide:

- Accurate and timely updates on order processing and delivery schedules.
- Coordination of logistics to ensure efficient delivery of your products.
- Assistance in setup or installation queries.
- Prompt and effective resolution of any queries or issues you may encounter.
- Continuous communication and support, ensuring a smooth and satisfying customer experience.

National Support Network

T.C. Boxes offer nationwide support with established warehouses, installation locations, and a comprehensive network across Australia.

Ongoing Support

For advice, service, parts, or accessories, our national team is ready to assist, getting you back on the road as soon possible. T.C Boxes is committed to delivering the highest level of customer service throughout your T.C journey.

THE T.C 4 STEP PROCESS

**AT T.C BOXES, BUILDING YOUR
IDEAL RIG IS AS EASY AS
1,2,3...4!**

At T.C Boxes, we've created a clear and efficient 4-step process to help you build the perfect setup for the back of your ute. From selecting your tray and box to picking the perfect internal and external accessories, we'll help you transform your rig into the ultimate workhorse or touring weapon.

Step 1 - Choose Your Tray

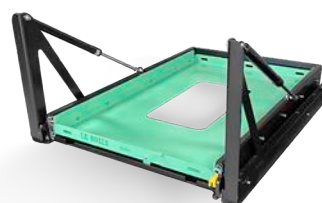

Step 2 - Choose Your Box

Step 3 - Choose Your External Accessories

Step 4 - Choose Your Internal Accessories
