

# MITSUBISHI 4WD OWNERS CLUB OF QLD<sup>(inc)</sup>

## 4WDING, CAMPING AND FAMILY FUN

### Club Trips

Our club conducts regular trips to varying destinations. Trips range from within South-East Queensland and the sand islands, through to broader Queensland and northern New South Wales, to destinations such as the central Australian deserts and Cape York.

### Camping

All of our trips are family friendly and are suitable to both campers and those heading out for a day trip. We're a caravan friendly club and most of our destinations are suitable for larger vans. If camping isn't your thing, come along to one of our social trips.

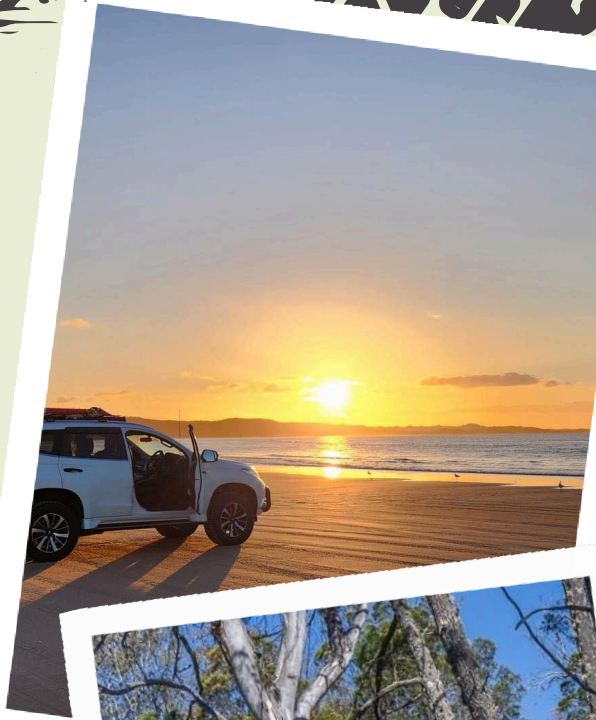

### Social

As an active club we have a wide variety of social trips that don't always require you to bring your 4wd. Whether it be a trip to a winery, an afternoon of barefoot bowls or a big night on the town, you're guaranteed a great time.
