

GEOLANDAR A/T^{XD} G017

FOR THE WORKHORSE

The Geolandar A/T XD G017 is an eXtra Durable all terrain tyre designed to spend the majority of its life off-road. It's a capable off-roader with good wear characteristics, strong performance and reliability when you really need it.

With a 3PLY Light Truck (LT) Construction, Three Peak Mountain Snowflake rating, deep tread grooves for off-road traction and a tough compound to resist cuts and chips, Geolandar A/T XD G017 is ideal for commercial applications in harsh environments like mine sites.
