* Ample space for bedding & mattress topper can be left inside!

A yellow and black splatter-painted SUV is shown from a side-rear perspective. It is equipped with a rooftop tent system. The tent is black and grey, with 'BW' written on the side. A ladder is attached to the side of the tent. On the roof rack, there is a green 'EVEREST 5' cooler, a black bag, and a 'WAGTAIL' brand rack. The vehicle is parked in a wooded area with trees in the background.

Elevate your outdoors:

Real comfort without compromise

EN SUITE SHOWERS

SINGLE OR DOUBLE

We've enhanced the strength of our truss design, providing a notable increase in durability built to withstand harsh conditions. Height adjustable straps. If you have a higher vehicle, you can still use the shower without the floor. The Double ensuite offers separate wet and dry zones with inter-connecting areas.

FEATURES

- Gas strut assisted arms for semi automatic opening
- Built-in LED light strip with two colour modes
- Removable PVC floor with drain (floor can be unzipped)
- Velcro-secured removable roof for ventilation
- Drop without floor is 1885 mm.
- Drop including floor is 1995 mm
- * **DOUBLE: Separate wet & dry zones with interconnecting areas**

\$349.00 SINGLE

\$499.00 DOUBLE
