EXTEND YOUR JEEP EXPERIENCE

Established in 1997 the Melbourne Jeep Owners Club (MJOC) caters for all Jeep models and all driver experience levels. New members are welcome.

VICROADS CLUB PERMIT SCHEME

MJOC have the VicRoads Club Permit Scheme for Jeeps that are more than 25 years of age. We have both H plates and M plates available to members.

This is available for club members and includes non Jeeps too. Another reason to join the Melbourne Jeep Owners Club.

We run regular trips and events and you will often see a MJOC convoy heading off to some of Victoria's many scenic off road tracks.

All of our trips are run by trained Trip Leaders who run trips from an easy scenic drive in the country through to varying ratings of trips that include Moderate, Difficult and Very Difficult and sometimes Extreme Trails.

MjJOC is not a Facebook group where members don't have any training or public liability insurance. All members are covered by Public Liability and Personal Accident Insurance whilst on official club trips and events.

TREAD LIGHTLY

MJOC follows the Tread Lightly principles of responsible four wheel driving and caring for our environment to ensure we continue to enjoy for future generations

CODE OF ETHICS

We have a club code of ethics and encourage our members to follow when driving and visiting our precious country. We leave no trace of our visit and drive responsibly

HOW TO JOIN

No matter what level of experience you have or how well equipped your car is, there will always be somewhere you can go with the Melbourne Jeep Owners Club.

Just go to our website for more information and join online. It's quick and easy.

MJOC DRIVER TRAINING PROGRAM

All members receive free driver training which covers teaching what you need to know about your Jeep and how to use it safely in 4WD terrain. This ensures all the drivers on your trip know what they are doing.

We also offer Advanced 4WD, Winching and Trip Leader training courses, all included in your membership fees.

Our Trip Leaders are trained in managing the convoy, recoveries, and ensuring that you enjoy your Jeep experience. They do all the planning and ensuring the tracks are planned to suit each level of driver and vehicle.
