AAV4X4 FUSO CREW CAB POP-TOP CANOPY AND TRAY PACKAGES

BASE PACKAGE – \$43,950

Storage, Work or Camper Platform for the Fuso FGB71 Crew Cab

Designed for remote work, serious off-grid travel and fleet applications, the Base Package provides a tough, versatile foundation that can be used as a work platform or customised into your own camper setup. Engineered for Australia's harshest conditions, it includes the tray, canopy and Kinetic Sub-frame with all the essentials already built in.

BASE PACKAGE INCLUDES

- Alloy tray with under-tray storage boxes
- Galvanised and powder-coated Kinetic Sub-frame
- 200L diesel tank with sender, in-cabin gauge and transfer pump
- 230L water tank with sender, in-cabin gauge and 12V pump
- Fibreglass Canopy (L 3.0m x W 2.05m x H 1.57m closed)
- Electric pop-top roof with 80kg roof load capacity

- Roof rack with rear roller
- Two gull-wing side doors with opening window panels
- Rear tyre carrier for two spare wheels (wheels not included)
- Open internal canopy ready for custom fit-outs
- Roof mattress with ladder access
- Sealed lithium battery compartment (batteries not included)

AAV EXPLORER PACKAGE – \$57,590

The Ultimate Work and Adventure Platform

Take everything included in the Base Package and add a professionally integrated electrical system, galley and storage package. No third-party fit-outs, no delays — just a complete solution that's ready for work or adventure.

EXPLORER PACKAGE INCLUDES EVERYTHING IN THE BASE PACKAGE, PLUS:

READY-TO-GO ELECTRICAL

- 600W 24V roof-mounted solar
- Victron MPPT Solar Controller

- Victron DC-DC Charger
- Victron MultiPlus 3000 Inverter/Charger with full 240V capability
- Flood lights on both canopy sides
- Internal roof fan
- Interior LED lighting and gull-wing area lights
- Four 240V power outlets
- Multiple USB charging outlets

READY-TO-GO GALLEY

- Slide-out kitchen with sink and induction cooktop
- Slide-out/drop-down fridge platform to suit a 60L Engel fridge/freezer
- Five heavy-duty pull-out storage drawers

Perfect for remote work, mobile trades, emergency response vehicles, fleet applications or off-grid touring and overlanding.

BUILD IT YOUR WAY WITH A FULLY CUSTOMISABLE INTERIOR PACKAGE AVAILABLE
