

MAXXIS MT772

**Performance when it's wanted.
Safety when it's needed.**

The **Maxxis RAZR MT772** pattern features deeply sculpted centre blocks for excellent mud traction, while stone and mud ejectors improve self-cleaning performance and minimise rock retention.

An innovative armour sidewall design maximises sidewall traction and puncture resistance, while deeply staggered shoulder blocks provide additional traction in difficult terrains.

Innovative tread compound **resists cutting, tearing and chunking.**

Three-ply sidewall **improves handling and durability.**

Two-step tread block design **increases performance in mud terrain.**

Staggered saw-tooth sidewall design **improves off-road traction.**

Stone and mud ejectors **improve self-cleaning performance and minimise stone retention.**

Stair-shape shoulder block design **increases off-road traction.**
