

VANSMART **MCV3+**

Performance when it's wanted.
Safety when it's needed.

The **Maxxis VanSmart MCV3+** is a premium light-truck tyre designed for excellent on-road stability.

Its durable construction ensures prolonged tyre life, and unique tread block arrangement allows for exceptional water evacuation – to ensure exceptional handling in wet conditions, and limited aquaplaning.

Large number of sipes on the main grooves and shoulders **increase comfort** and **ensure optimal traction.**

Large shoulder blocks and connections between blocks **prevent uneven wear.**

Special cross grooves on the tyre shoulders **improve water dissipation** and assist in ensuring **a quiet and comfortable ride.**

Premium rubber compound and extra plies **resist cuts, punctures and abrasions.**
